

# Ever wish you were closer to God?

It's a tried-and-true ancient approach.

It's in-depth.

It's a plunge into growth in God.

IT'S THIS MORNING  
RIGHT AFTER MASS  
HERE AT ST. JAMES

The Church calls it

## Mystagogy

which simply means  
growing in the “mysteries,”  
the heart of our faith.

## Why not try it?

For more information,  
ask Anita Gervais or someone who attended last time.
