

3rd Grade Summer Reading Requirement

Students will select a grade-appropriate chapter book (NO Graphic Novels!) to read over the summer. After reading the chapter book, create a bookmark about the book. On one side, include the title, author, and a picture of your favorite character or favorite part of the book. On the other side, write a short summary about the book and why you chose this book. Remember to put your name on the bookmark. Be creative!

Please bring them to school on the first day. We will share them during the first week of school. This will be recorded as a 10 point "Homework" grade in PowerSchool.
