Pastoral Letter

Dear Church Family,

" I'll Have Chocolate!" shouted little Sandy from the backseat of the family car. Her father had unintentionally stopped across the road from a Dairy Queen.

His intention…had been to discipline his daughter who had acted extremely naughty for too long. When he stepped out of the car, however, and looked into her up turned face…eyes bright with trust, expectation and love…something deep in his daddy heart changed to mercy and grace.

Sandy (now a saintly grandmother) received her ice cream instead of the intended discipline.

This reminds me how God, our Heavenly Father, has granted us such precious grace and mercy through His Son, Jesus Christ. Holy Scripture tells us in John 3:16 "That God so loved the world that He gave His only Son- that whoever believes in Him will not perish but have eternal life."

God even knows each of us so personally that He has counted the number of hairs on our head. "But even the hairs on your head are all numbered." (Matthew. 10:30 and Luke 12:7)

This Easter Season is a perfect time to ponder how God loves His children intentionally and personally. Are we noticing God's grace and mercy in our life and smiling back at Him with eyes bright with trust and love?

WISDOM, GRATITUDE, HEALING, FELLOWSHIP

By Christine Rousselle of Catholic News Agency

Every pilgrim to Lourdes has their own motivations and reasons for making the journey. For the Mayors, the International Military Pilgrimage came with an additional grace: a family reunion.

Captain Mark E. Mayor and Captain Matthew N. Mayor are identical twins. Both have served for a decade in the U.S. Army. While the two have been stationed together in the past, they now live a continent apart. Mark is stationed at USAG Wiesbaden, in Germany. Matthew is stationed at Ft. Jackson, SC, but is a student at Northwestern University through the Army Advanced Civil Schooling Program.

Last year, Mark and his wife, Malori, were both pilgrims on the Warriors to Lourdes trip. Malori, a registered nurse, volunteered on the medical team, assisted with helping wounded pilgrims, and played the violin at Mass throughout the weekend. This year, all three of the Mayors made the journey to Lourdes.

Both Mark and Matthew have suffered from their time in the military, and both have been diagnosed with having post-traumatic stress. Mark also experienced a traumatic brain injury. They both spoke about the importance of civilian interaction with members of the military after they have returned home, as they both believe this is key to preventing and treating mental illnesses that many troops experience. When a member of the military returns home, Mark explained, they are "separated from the tribe," which can trigger depression and other mental wounds. The International Military Pilgrimage is a way for people to "get the tribe back together," and is a therapeutic experience for the pilgrims. And while the pilgrims are from different nations and from different branches of the military, Mark is comforted by the fact that they are all in Lourdes to worship God. "We all celebrate one universal Catholic faith," said Mark. "It's just something that I find it really humbling."
Lourdes is famous for its baths, which have produced 70 confirmed miraculous healings, and hundreds of other cures. The Mayors say they have all been deeply touched by their experiences taking a dip in the ice-cold water.

"My intentions were for continued healing in body, mind, and spirit, and for the grace of continued wisdom to fulfill and refill my well of fortitude," said Matthew. He said he was grateful and thanked God for being present for him in that moment. All agreed that Lourdes is a special place, and that the addition of the pilgrims attending the International Military Pilgrimage only increases the town's unique sense of holiness.

VI Domingo de Pascua

Querida Comunidad de San José,

Estoy tan orgullosa de anunciar que 19 estudiantes de nuestro octavo grado se graduarán el jueves 30 de mayo a las 6:00PM. Su compromiso con Dios y con los demás ha servido de ejemplo a todos. Me entristece decir adiós pero emocionada por ver cómo cada uno usará sus talentos que Dios les dio durante si transición a la escuela secundaria. Sé que muchos otros de ustedes también se graduarán de alguna etapa de educación. Siempre tengan en cuenta, que Dios tiene un plan para ustedes. Él los guiará para hacer la diferencia en nuestra sociedad. Recuerden las sabias y poderosas palabras del rey Salomón en Prov. 3:5-6: "confía en el Señor con todo tu corazón; no dependas de tu propia sabiduría. Busquen su voluntad en todo lo que hagan, y Él les mostrará qué camino tomar. "
Felicitaciones a todos los graduados de 2019

EL DON DE LA PAZ

"Surgieron no pocos desacuerdos y debates". ¿Pasó eso en el trabajo esta semana? Muchos de nosotros pueden recordar algunos roces con compañeros de trabajo, incluso con el jefe. ¿Pasó también mientras socializaba con amigos? Evita hablar de política, religión . . . incluso de deportes. ¿En casa? Incluso el hogar más pacífico experimenta un poco de "estira y afloja" de vez en cuando. Entonces ¿dónde fue que "surgieron no pocos desacuerdos y debates"? Ese tumultuoso conflicto ocurrió en medio de nuestros primeros hermanos cristianos, interrumpiendo la vida de la comunidad de la Iglesia primitiva. Pero en los Hechos de los Apóstoles muestra cuán bello es el Espíritu Santo, prometido por Jesús en el Evangelio de hoy, que ayudó a la Iglesia a lograr una decisión llena de gracia. Lo que evolucionó fue que la "diversidad reconciliada" frecuentemente animada por el Papa Francisco e incluso previstas en el pasaje de hoy del Apocalipsis y una experiencia maravillosa del don de Jesús prometido por Jesús: "La paz les dejo, mi paz les doy".
