**REFLECTIONS WITH FATHER MICHAEL:
LESSONS FROM MY RECENT TRIP TO AFRICA (PART 3)**

*We are the Catholic
Community multicultural
family of St. Raymond-
Our Lady of Good
Counsel parish of Detroit.*

*We share the love of
Jesus by welcoming and
serving friends and
strangers, young and old,
rich and poor. We are
called to be the light of
Christ in our
neighborhood,
strengthened by prayer
and
worship, especially the
Eucharist.*

*We see ourselves as a
rock in our community.
We are dedicated to grow
in unity with God and one
another. We invite all to
join with their time, talents
and treasures in the
journey toward building
God's kingdom. Under the
guidance of the Holy
Spirit, we are dedicated to*

**ST. RAYMOND-
OUR LADY OF GOOD COUNSEL
PARISH**

Adopted: June 26, 2011

*keep a
Catholic presence in our
neighborhood.*

Before we continue our reflections on the recent African trip, it may be wise and necessary to comment briefly on the crucial event facing our Trinity Northeast of Detroit Family of Parishes. This event is so important that our Trinity Family Prayer Warriors have been requested to keep praying for the success of the event as it takes off on Tuesday, March 8, at 6pm at Our Lady Queen of Heaven-Good Shepherd parish hall. For those who may not be aware, the event we are referring to here is, the **Mission Strategic Plan (MSP)** which will map out the action plan for effective and meaningful evangelization within our three parishes in the Trinity Family. The importance of this event cannot be over-emphasized. Let's pray for the success.

As we may recall, on Sunday January 16, during the inauguration of the Trinity Family Council, it was stressed that everyone must roll up his or her sleeves and be prepared to work hard to move our three parishes forward, evangelization-wise. We also emphasized that no one, especially the leaderships in the three parishes, could afford to sit on the fence in this crucial ministry. Let's hope and pray that all parishioners and well-wishers will heed this earnest appeal.

Already, the hour is at hand to begin the important weekly training and brainstorming. As stated already, it will start on Tuesday March 8, and conclude toward the end of the month. This crucial weekly evening exercise, which can be termed our special Lenten project, will have delicious dinner as an integral part. Without a doubt, it will be an exciting and fruitful event. All Family Council members, as well as the parish staff, are expected to actively participate in all the three full sessions. The timeframe for each session is, 6-8pm. We look forward to seeing the above-mentioned groups as well as the **Facilitator**--- **Connie Borg** of AOD, and the Mission Support Director, on March 8, at 6pm. May the Lord and our Blessed Mother guide us through the unfailing power of the Holy Spirit throughout the sessions and into the future. Amen!

**REFLECTIONS WITH FATHER MICHAEL:
LESSONS FROM MY RECENT TRIP TO AFRICA (PART 3)**

Now, let's delve back to our reflections on the recent African trip. In the meantime, many thanks to all those who have been contacting me to indicate how much they were enjoying the story of the trip, and how much they were eagerly looking forward to reading the next segment. As we may recall, in the previous segment last month I narrated how I was pleasantly surprised and puzzled that my folks back home in Africa were going about their daily business without bothering to wear face masks or practice social distancing which I was used to here in America. I also mentioned how my conversations with two key figures at my local district helped to give me some insight as to why the covid-19 pandemic has not ravaged the area despite the obvious lack of well-equipped medical facilities.

My conversation with Fr. Ege, a respected senior was both insightful and rewarding. Time and space won't permit to go into full details of the conversation, but its summary can still make sense. According to him, when it comes to the ongoing corona virus, two factors are in play, the spiritual and the temporal. In his view, cultures that do not fully value the sanctity of life are usually hit hard by the world-wide virus. This is because once life is devalued, all kinds of sicknesses then set in, including the air-borne ones like the corona virus. He said our people not only respect and cherish the sacredness of life, but regard abortion as taboo except in very rare cases. For this reason, the body immune system is not unduly compromised due to incessant abuse of the body through abortion which not only weakens the mind but also the flesh. He challenged me to investigate those cultures the sanctity of life is paid lip-service, and those where it is strictly upheld, and find out the difference. Despite his advanced age he spoke with such passion and conviction that you would think he was a very young and dynamic man. What a pro-life priest!

Although I tried, for the sake of argument, to play "devil's advocate," pointing out to him what was happening in South Africa, and how the Omicron virus has killed many people in that country. He smiled and ridiculed such a reference. According to him, South Africa is not a good example., because it has been following the example of the western world by embracing abortion on demand, and as a result has abandoned the strict African respect for life. Then I asked him on what scientific grounds he was making his assertion on infections and lack of infections, he again smiled and said, "The current impact of the corona virus and the wisdom of our ancestors should be enough scientific evidence for you." Wow! Is he right? I cannot judge. Time will tell. However, the other reason he gave for the lack of infections in the community seems more plausible. According to him, the food and lifestyle of our people help to shield them from many diseases, coupled with the natural immunity they acquire from constant mosquito bites and malaria illnesses etc. Consequently, their immune system is so strong for pandemics such as Biola and the current corona virus to adversely harm them. Is he right? Maybe. Again, I can't say for sure. Interestingly enough, Fr. Ege also said something to which I totally agreed. He said, "Whether we believe it or not, the good Lord always cares for the poor and neglected. He knows that our people do not have good governments, or the means to take care of themselves if the pandemic were to strike the community, hence He protected them from it. I'm inclined to agree to that it makes sense to me, because other reasons may require elaborate scientific proof. But this doesn't!

The herbalist doctor, Mazi Oguguo, whom I met about a week after my conversation with Fr. Ege, said something similar to what the priest said earlier on the effects of abortion on the human body and its harmful repercussion on the community as a whole. I was amazed that both of them sounded the same, even though they were approaching the matter from different angles. What baffled me the most was their agreement on the factors they alleged helped our local population to avert the current pandemic. The only variation was that the herbalist also touched on the fact that our local folks regularly consume the highly medicinal alligator pepper almost daily with cola-nuts when welcoming guests and visitors to their home. According to him, the alligator pepper which our people eat regularly is loaded with immune boosting power. In his view, by chewing regularly alligator pepper and cola-nuts, the body immune system grows stronger and stronger daily. Wow! Is he right? Maybe. But I cannot judge or dispute with a seventy-nine-year native doctor with more than fifty years of herbal experience. Anyway, time will tell.

My fellow reflections and friends, there is more to life than meets the eyes. In other words, there are so many things that we do not know and may never fully know in life. But as Christians, the much we cannot dispute is the nearness of God to us all, especially the poor and needy. The Psalmist wasn't kidding when he said, "The Lord is kind and merciful to the poor." Without a doubt, God truly cares for the poor and marginalized. My recent trip to Africa and surprising absence of the Covid-19 infection among the rural population helped to convince me that the Lord is truly wonderful in His mercy and love, especially to those in most need of his help.

In the final segment of our reflections next month, we will find out how I reacted when I discovered that one of my boxes was left behind in France during the connecting flight home, and when that disappointment eventually turned out to be a blessing in disguise during my return journey. Indeed, the Lord works in mysterious ways! Watch out for details in the final segment on April 3rd.

Till then, stay blessed and have a great and fruitful Lenten season! And, please, don't forget to pray for the success of our Mission Strategic Plan which kicks off on Tuesday evening March 8.

FR. MICHAEL CHIDI NKACHUKWU

ANNOUNCEMENTS FOR THIS MONTH OF MARCH 2022:

***1. The Lenten season is here with us, and with it comes some important spiritual obligations to improve our spiritual lives. Among those obligations include, regular penance and acts of charity, increase prayer life, regular Bible studies, and deeper devotion to the Lord in the Eucharist etc. All should make serious efforts to attend regular stations of the Cross and participate at the **combined penance service slated on Thursday, March 31**. As our liturgy reminds us on Ash-Wednesday, we are invited during this season to repent and turn to the Lord who beckons us to return and embrace his transforming grace and mercy. Please, consult your Mass Schedule for the various exercises during this Lenten season, including the Holy Week.

2. We thank all those who attended the farewell Mass for **St. Jude Food Pantry Volunteers on Saturday February 26. Your presence was appreciated. Many thanks in particular to **Diane Garrison** for taking care of the refreshments that evening. It was a delicious modest meal. Also deserving thanks are **Angela Vann** and **Azeem Bhatti**, our secretaries, who arranged and put finishing touches to the farewell preparations. As **Father Tyrone** reminded us during his uplifting and touching homily that Saturday evening, the Food Pantry Volunteers have left us a powerful legacy of long and dedicated service to the Lord and our needy neighbors, and therefore, we should not allow the wonderful legacy to die. To this end, let us pray for the **Felician sisters** and the *Deo Gratias ministries*, that the good Lord may guide and bless them as they shoulder this important ministry, and expand it in the future to a higher level with the active collaboration of the *Capuchins*. Remember, there is power in prayer.

3. We announce with mixed feelings the retirement of **Carol Bissa who have served at St. Raymond-OLGC parish for so many years. Her dedicated service will be remembered for a long time. In the meantime, however, the **faith-community of St. Raymond-OLGC will be celebrating a farewell Mass for her on April 3rd**--- the first Sunday in April. Her retirement took effect on March 2nd. All are invited to come to show their appreciation to her for the decades of dedicated service to the community. May the Lord bless her. Please, mark your calendar.

***4. Our next bulletin will be a combined one--- the **Easter edition**. Hopefully, it may contain information on our Mass time restructuring at the three Parishes, to make our regular priests more visible on a regular basis and maximize our scarce resources. Meanwhile, keep in your thoughts and prayer the special sub-committee under the leadership of **Fr. Tyrone**, charged with the task of recommending an acceptable and people -friendly weekend Mass times for our Trinity Family. Thank you.

**5. It is important to remind all parishioners that before anyone publishes anything to be announced or distributed in the church, the person is first expected and required to pass that information through the Pastor or his designee and obtain his consent. Such a consent should never be presumed. If, for instance, you send such information to the Pastor or his designee, and you do not get a feed-back, you may do one of two things--- suspend the information you intend to give out to parishioners until you receive a go-ahead or follow it up with a phone call or follow-up email, asking the Pastor/or designee on how best to proceed. This is a simple church rule and proto-cal. It is not meant for any particular church, rather it is a common practice in the Catholic church. The same thing applies to bringing and distributing flyers and leaflets in the church. Nothing is distributed in the Catholic church without the relevant permission. Please, let us take note of this important matter.

6. A reminder, that **Stations of the Cross, take place **every Friday at 12noon, at St. Raymond-OLGC**. Please, plan to join this weekly spiritual exercise if you are unable to attend that one at your parish church. May you be blessed as you participate. Thank you

7. Let us not forget that our next **Family Council meeting will be on **Monday, March 28**. Venue for this meeting will St. Jude church basement. Time is 6.30pm. Members, please take note. Meanwhile letters will be going out to the newly reconstituted Parish Finance Council at each parish. The new members will be notified to get ready for their regular meeting with the Mission Support Director and the Pastor and book- keeper before Easter. Thank you.

Office of Development

Parish Member, Alumni and Friends,

After 27 years at the parish, I am writing to make the bittersweet announcement that I am fully retiring from my position here at St. Raymond-Our Lady of Good Counsel.

I have really enjoyed the nearly three decades I have worked to serve our Catholic community. In addition to the seven different Pastors and many associate Pastors, I've had the privilege to work with so many great past and current staff members, hundreds of volunteers and school alumni, and many dedicated parishioners.

I have been contemplating and praying over this decision for well over a year and, and while it is made with a heavy heart, I believe it is the right time. This new chapter in my life will allow me to spend more time with my family—particularly my wonderful grandchildren—and I look forward to the hard-earned rest and relaxation.

I have been truly blessed and will keep you all close to my heart. I wish you all the best that life offer and will continue to pray that God keep you and our beloved community safe and healthy.

What is Lent?

Wednesday, March 2, 2022 - Thursday, April 14, 2022

Lent is a 40 day season of prayer, fasting, and almsgiving that begins on Ash Wednesday and ends at sundown on Holy Thursday. It's a period of preparation to celebrate the Lord's Resurrection at Easter. During Lent, we seek the Lord in prayer by reading Sacred Scripture; we serve by giving alms; and we practice self-control through fasting. We are called not only to abstain from luxuries during Lent, but to a true inner conversion of heart as we seek to follow Christ's will more faithfully. We recall the waters of baptism in which we were also baptized into Christ's death, died to sin and evil, and began new life in Christ.

Many know of the tradition of abstaining from meat on Fridays during Lent, but we are also called to practice self-discipline and fast in other ways throughout the season. Contemplate the meaning and origins of the Lenten fasting tradition in this reflection. In addition, the giving of alms is one way to share God's gifts—not only through the distribution of money, but through the sharing of our time and talents. As St. John Chrysostom reminds us: "Not to enable the poor to share in our goods is to steal from them and deprive them of life. The goods we possess are not ours, but theirs." (Catechism of the Catholic Church, no. 2446).

In Lent, the baptized are called to renew their baptismal commitment as others prepare to be baptized through the Rite of Christian Initiation of Adults, a period of learning and discernment for individuals who have declared their desire to become Catholics.

A Walk with Mary and Jesus

Each weekend during Lent through Palm Sunday, immediately after the 4:00pm and the 10:00am Masses, we will take fifteen minutes to reflect on three of the fifteen Stations of the Cross, until we've traveled the entire journey alongside both Jesus and Mary, sharing their suffering, their passion, and their work of salvation for all of humanity.

Stations of the Cross - Fridays at 12:00pm -
