

Students Entering Grade 1

Required Summer Reading:

Attached is the summer reading list for students entering first grade. Over the course of the summer at least 8 books must be read. You must read three fiction and three informational texts. In addition, choose one of the math and alphabet books. See the suggested reading list for ideas. Please try and choose books your child may be able to read aloud. You must complete the attached reading log.

****Your goal should be to read every night for pleasure.**

At least 8 books over the summer.

Information for Parents:

Five Finger Rule

Ask your child to read a random page. Count the number of times your child stumbles over or misses a word without self-correction. If you count more than five misses on a page, that book may be too challenging or your child may need adult assistance to read.

5 FINGER RULE

What To Do: Pick a book. Open the book to any page. Put one finger up for each word you don't know.

- | | |
|-----|----------------|
| 0-1 | Too Easy |
| 1-2 | Perfect Choice |
| 4 | Give It A Try |
| 5+ | Too Hard |

Academic Review:

****It is suggested that any work not completed in your Kindergarten books be completed over the summer for reinforcement of skills and concepts.**

All current SHS students should continue working on Kindergarten curriculum on IXL.
The goal is to have a medal in all of the Kindergarten skills by September.

****Be sure to review your math skills - specifically number recognition up to 100, single digit addition, and single digit subtraction.**

****You MUST be able to recognize and count up to 50.**

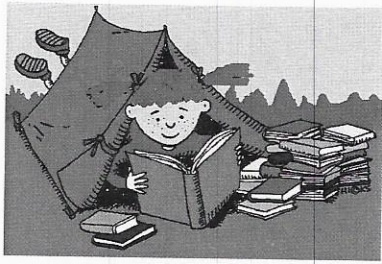

REMINDER:

****FOR SAFETY REASONS, BACKPACKS
WITH WHEELS ARE NOT PERMITTED****
