

Summer Packet

Happy Summer! Reading is a skill that will open a lifetime of opportunities for our students. While I want the students to enjoy their summer vacation, I believe that reading each day should be a part of that. Reading can transport you to new places, it can open up new worlds of discovery and it can put our students on a path to success in ways we can only imagine. Please partner with me and encourage your child to read, just for a short time each day. Setting a goal of reading for 20 minutes a day, or 5 different chapter books for Summer is a good place to start to keep those skills sharp. I have also attached a multiplication and place value sheet for reference to keep our students on top of those Math skills. These skills will be key for our upcoming year.

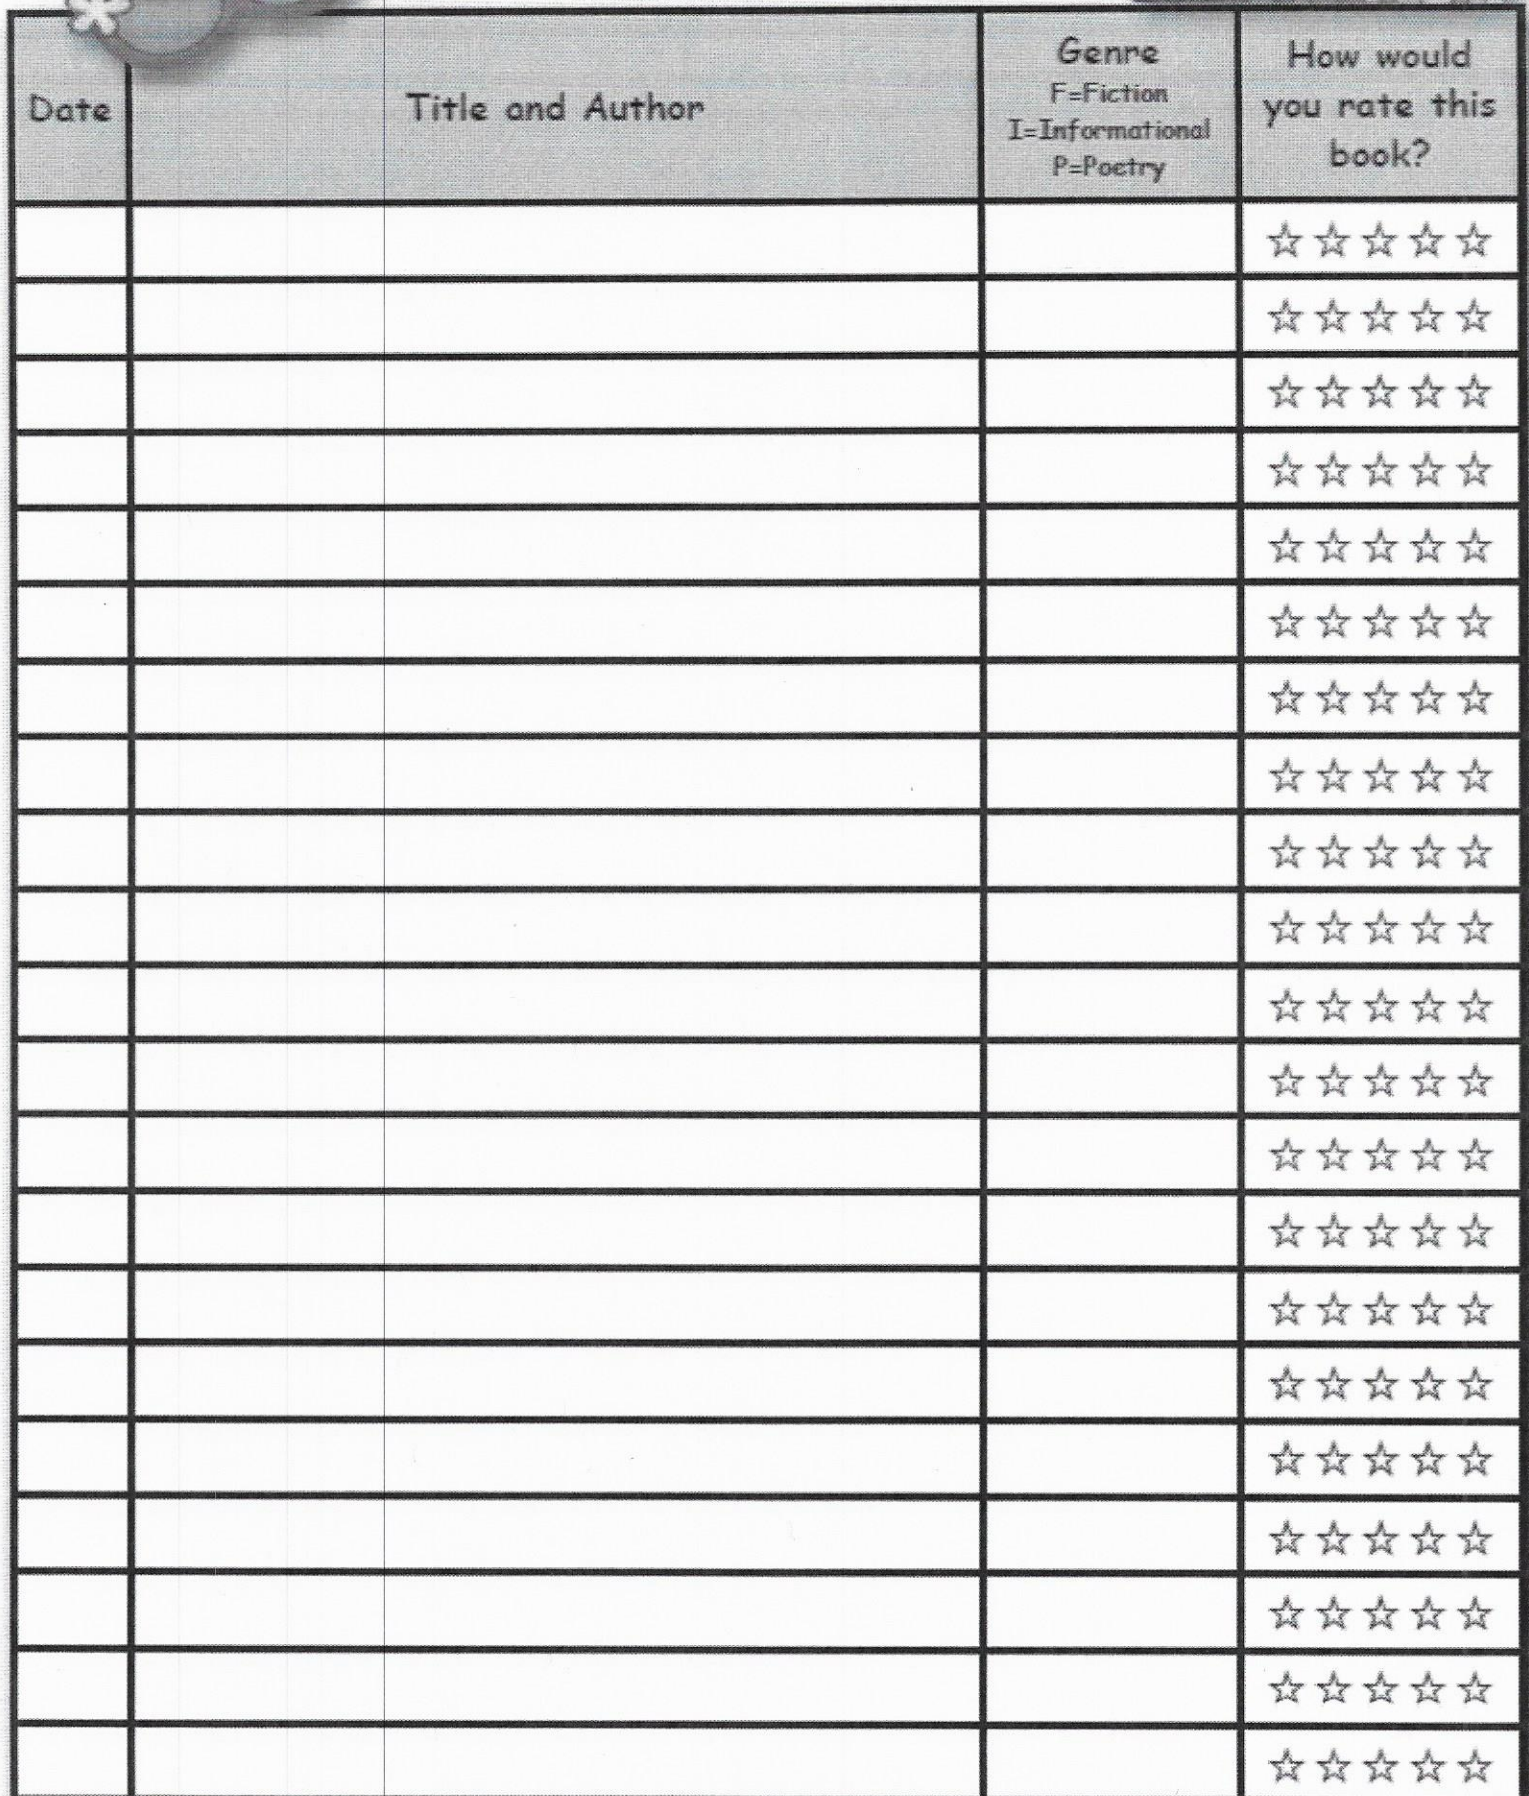

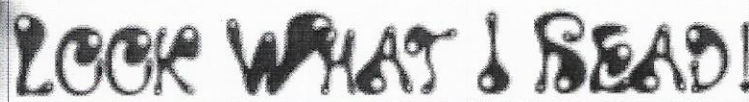

Happy reading and have a happy and safe Summer!

Looking forward to seeing you all in the Fall!

Best,

Miss Dronzek
