### Fifth Sunday of Easter

On the fifth Sunday of Easter, we continue glorifying the risen Christ. Gradually Christ approaches his Ascension into heaven. Hence, He promised us a place with Him in His kingdom if we persevere in our faith and in love with one another. It is His wish that one day we too shall be with Him in His eternal kingdom where He promised to make all things new for us. However, before then we must endure the crucible of this world.

In today's gospel, Christ gives us a new commandment of Love that will help us to overcome this world and march into the New Jerusalem. Only those who love sincerely can enter the New Jerusalem that the risen Christ promised His people. This love is a mark of the newness of life that Christ brings to all His people this Easter season.

While Fr. Joji is in India, he will be saying Masses for the intentions listed on the bulletin.
