Welcome to Good Shepherd School. Choosing a school for your child is one of the most important decisions parents make. As parents and guardians your decision will profoundly influence your child for years to come. Sending your child to Good Shepherd ensures that he or she will be educated in a faith-filled environment with a rigorous academic program that prepares students for success.

Good Shepherd is a community that emphasizes Christ values that influence our students throughout life. With a rich tradition of strong academics and continuous commitment to our Catholic faith our students grow spiritually, succeed academically, while making important contributions to the parish and community.

We have an incredible faculty and staff, whose goal is to partner with you in providing the best quality education for your child. Our experience shows that a strong relationship between home and school leads to greater social and academic success. Our teachers are highly qualified with a majority holding Masters degrees. Our teachers nurture each child by building confidence in a supportive environment.

Good Shepherd academically has been awarded with several high honors for their overall academic excellence. While we are proud of those accomplishments, we truly pride ourselves on serving each individual student while they reach their maximum potential.

We welcome you to experience the spirit of Good Shepherd School. Quality academics, continuous faith formation, and positive family support make Good Shepherd a wonderful place for your child to grow. Please call if you have any questions or if you would like to take a tour of our school.

Blessings,

Mrs. Ann McGuff
