Classroom News

- IXL logs are due Monday. The assigned skill is H.6.
- Please remember to send a healthy snack and full water bottle to school each day.
- We have a peanut and tree nut allergy in class, so please no shared snacks with those allergens.
- If your child has shoe laces, please practice tying them at home.
- If you would like to place an online order from Scholastic Book Club, my teacher code is W6CY8.
- Click [here](#) for a link to our class photo folder.
- Click [here](#) for a link to the sight words flash cards. I will update it as we add more words.
- Click [here](#) for a link to my website.

What We Did This Week

Reading: Our essential question was "How do people help out in the community?" We read, "The Story of Martin Luther King, Jr.," "Luis's Library," "Thump Thump Helps Out," "Nell's Books," and "Kids Can Help!." Our reading skill was character/setting/events.

Language Arts: We practiced proper nouns.

Spelling/Phonics: We reviewed the sound and spelling of digraphs sh, th, and ng.

Essentials: We reviewed the FSZL sounds -ff, -zz, and -ll and -ck at the end of a word after a short vowel.

Math: We continued our unit on addition concepts. Please begin to review math facts at home for automaticity.

Religion: We finished our unit on giving praise God.

Science: We continued learning about the eye and did an experiment about how the pupil changes due to light.
