Notes From the Teacher

We had a busy, first full week of school and were worn out. This week we practiced the letter Mm, numbers 0-3, learned the Creation story, and worked on rules and why we have them. They did a great job listening and working hard.

We have our reading MAPS test on Tuesday morning at 9:30. They will do this on the computer and the questions are read to them. Please be sure they get a good night's rest and a healthy breakfast that morning to help them show us all they can do.

Please be sure to send a healthy snack with your child each day. I do have extra snack, just in case, but I may not have something your child wants to eat. Also, snack is only about 10-15 minutes of our day, so please keep that in mind when choosing what to send. We read a story while they eat for the short time.

I am looking forward to seeing everyone at Back to School night this Thursday. Please remember this is for adults only, and it is a chance for us to explain things about kindergarten and answer questions you have.

Just a reminder about pick up at the end of day. Kindergarten cars must stay in the main pickup line all the way around the upper lot, toward the playground and by the gym, after you round the corner by the 10 Commandments monument, you may split off and stay next to the curb by the front of the school. This is the safest way for all the cars to move through the line. I have attached a diagram of the plan to this email for reference.

Blessings! - Mrs. Wagner
