RE: Re-Registration & Transportation Forms for 2023-24

Our enrollment/re- registration process will begin on Friday, February 17th. You will receive an email from Tads with a link to register.

In today's gold folder you will find transportation forms for the upcoming school year 2023-24 according to which school district you reside in.

Please return all completed forms back to me by Friday, March 3rd. I will keep a copy, get them signed and then get them to the appropriate transportation office. If you require after school transportation to a daycare provider, there is an additional separate form that you will need. Please contact me if you need one.

Thank you in advance!

God Bless

Regina Berish
