Principal's Message

We recently celebrated Catholic Schools Week, and what a joy it was! From special activities to prayer celebrations, it was a beautiful reminder that our school is more than a place of learning - it is a community rooted in faith, service, and love. Thank you to everyone who volunteered, donated, and participated in making the week so special for our students and staff. As we prepare our hearts for the Lenten season, we will be inviting students to grow in prayer, kindness, and service. Look for information from teachers about classroom service projects and ways families can participate in simple Lenten practices at home.

Don't forget
