

St. Mary School Fishkill

MARCH

NEWSLETTER

Principal's Message

As we enter the month of March, we continue the season of Lent, a time in our Catholic faith dedicated to prayer, sacrifice, and service. Our students are reminded that Lent is not only about giving something up, but also about growing closer to God by showing kindness, forgiveness, and compassion in their daily lives.

This month provides many opportunities for our school community to live out our faith. Students will participate in Stations of the Cross, classroom prayer experiences, and service projects that help them understand the importance of caring for those in need through our Lenten Projects.

Thank you for your continued partnership, support, and commitment to our school community. Together, we are forming not only strong students, but faithful disciples.

May God bless you and your families during this Lenten season.
