### Principal's Message

As we enter the beautiful month of April, we are reminded of the joy and hope that come with the Easter season. Spring is a time of renewal in nature, and in our faith it is a time when we celebrate the great gift of new life through the Resurrection of Jesus. At St. Mary School, this season invites us to reflect on how we continue to grow in faith, knowledge, and service to others. Let us continue to keep one another in prayer as we celebrate the hope of Easter and the blessings of the spring season.

Thank you families for generously donating items to our Lenten Projects for the Compassionate Animal Rescue Efforts of Dutchess County and Hudson River House.
