

Saint Luke the Evangelist

A Roman Catholic Community

Serving the People of Westborough Since 1870

FOURTH SUNDAY IN ORDINARY TIME

In their synagogue was a man with an unclean spirit; he cried out, "What have you to do with us, Jesus of Nazareth? Have you come to destroy us? I know who you are—the Holy One of God!" -Mk. 1:23-24

The dramatic scene described in today's gospel has provided an equally dramatic visual representation by the French artist James Tissot. The image comes from his published book *The Life of Our Lord Jesus Christ* (1896-97), which contained a series of 350 watercolor images depicting scenes from Christ's life. Tissot has chosen a very middle eastern looking interior to represent the synagogue at Capernaum. He emphasizes Christ's role in Jewish culture (and thus the foundations of Christ's ministry) by presenting him wearing a *tallit* (prayer shawl) and standing in front of an open *Torah* scroll (first five books of the Old Testament), which is set on the synagogue's *bimah* (lectern). However, all these details are overshadowed by the presence of the man below Jesus in the foreground (and to whom Christ gestures with his right index finger) who appears to be falling backward while simultaneously wildly gesticulating toward Jesus. This is the possessed "man with an unclean spirit," who so dramatically calls out and identifies Jesus as "the Holy One of God."

Brothers and sisters: I should like you to be free of anxieties." (1 Corinthians 7:32) How much anxiety do we bring upon ourselves by constantly worrying about not having enough or attaining more things? God won't necessarily give you everything you want, but He will provide everything you need. Try this – use the word "pray" instead of the word "worry" in the future. Then spend your time praying instead of worrying.

4th Sunday in Ordinary Time

What good is a great story unless someone tells it? What's a wonderful song unless someone sings it? How can an idea change the world unless someone makes it work? Ideas, songs and stories all need to be put into practice so their value will be seen, heard and known.

Jesus confronts and rebukes evil and then banishes it. People were amazed and began to ask the basic question of faith "who is this man?" The answer leads to a choice, sometimes called the leap of faith; is Jesus the Messiah? If the answer is yes, life is never the same.

Faith is not just a good idea. It must be lived and expressed, preached and accepted, taught and understood. By word and deed, Jesus shows us the power of faith: its ability to conquer sin and death, its power to change lives and its availability to everyone. In imitation of Jesus, when we reach out to others, and offer the love and mercy we have been given, faith is shown as a way of life, and an open invitation is given to everyone to hear the Good News. And our pursuit of holiness and eternal life begins.

James Gaffney

PLEASE BE AWARE

If you receive an email, text, or any other system of technological communication supposedly from Fr. Diego Buritica, *please do not respond to it*. Fr. Diego's name, among the names of other priests, and even the Bishop of Worcester, is being used to attempt to pry and steal gifts cards, money from financial accounts, and other ways using their names as a way of getting parishioners to respond to the communication. Please know that if Fr. Diego wants a gift card or money, he will **ask you in person**, which means he will never ask you. Any form of communication that looks fishy and odd, *know that it is fishy and odd and delete it. And never, under any circumstances, respond to these tactics that seek to steal finances using the name of any priest*. These scams are attempted mostly against elderly people, but not limited to the elderly by any means. Remember, *don't respond and DELETE IT!!*

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
