SIXTH SUNDAY IN ORDINARY TIME

"A leper came to Jesus and kneeling down begged him and said, 'If you wish, you can make me clean.' Moved with pity, he stretched out his hand, touched him, and said to him, 'I do will it. Be made clean.' The leprosy left him immediately, and he was made clean." Mk 1: 40-42.

Today's work of art is a rare example of an illustration of today's gospel parable from Mark. The image is also unique in that it is extremely small (like a postage stamp—measuring about 1 ½ x 2 ¼ inches) and is part of a series of engravings by Georg Pencz (a prolific student of the famous Albrecht Dürer). It is a print that was made in 1534 from a copper plate etched (in reverse), inked, and then printed on paper. It is one of the very few images of Christ healing the leper where he is shown *actually* touching the afflicted man. This is of central importance because lepers were considered "ritually unclean." Their actual place in ancient Jewish society is still debated among scholars, but during Pencz's lifetime lepers were ostracized and generally poorly treated so the artist is making a social commentary here. We know he is a leper from the wooden clapper shown sitting in front of him. Lepers were required to use these at the time to make noise to alert people of their presence. This profound gesture of Christ hugging this man shows his love of humanity no matter our condition.

SEEKING LEADERSHIP FOR OUR SENIOR ADULT MINISTRY

The St. Luke's Senior Adult, Forever Young, ministry is in need of filling some very important offices if the organization is to remain functioning. We are currently in need of a Chairperson, Co-Chairperson, and Program Coordinator. The group has been dwindling in recent years and we are in need of attracting more active members if we are to remain operational. You do not need to be a current member to inquire about filling a leadership role. If interested and you would like more information, we will be meeting on Monday, February 26, 2024, in the Parish Center at 10:15 a.m. You may also contact Julie Basque at either pastoralassociate@stlukes-parish.org or 508-366-8509

St. Luke's is serving at the Mustard Seed on Friday, March 8th. We will be serving chicken, rice pilaf, vegetables, fruit and dessert. Please see the signup sheet in Flocknotes for details. **We are changing the drop off location to the parish center parking lot. Please deliver the food hot to the parking lot between 3 and 3:30 on March 8th.**

Any questions, please call or email Sue Black at 508-212-2748, susanmblack08@gmail.com.
Thank you so much!

Due to a power outage we are experiencing problems with our phone system.

There may be intermittent outages on the Parish Center or Parish Secretary phone lines. The voice message system may be unavailable. We are aware of the issues and are working to resolve this as soon as possible.

We apologize for any inconvenience. Thank you for your patience and understanding!

Saint Valentine

How February 14 came to be celebrated as the feast for lovers is somewhat a mystery. What little is known of the feast's namesake can be attributed to the lives of two martyrs: one a priest, the other a bishop. Their lives bear little resemblance to the contemporary holiday. The priest Valentine reportedly was beheaded in 269 by Emperor Claudius II. The bishop, known for healing, was martyred earlier. It's probable that a medieval custom of sending messages of love on this day merged later with the feast.

SAFE ENVIRONMENT

Here at St. Luke's, we follow the guidelines of the national charter for the Protection of Children and Young People approved by the US Bishops and the policies of the Worcester Diocese in screening those who work with children in our care and in helping victims of abuse find healing. For questions, information or help please contact Judy Audette, Victim Assistance Coordinator for the Diocese of Worcester at 508-929-4361 (direct line and confidential voicemail is available).

"Brothers and sisters, whether you eat or drink, or whatever you do, do everything for the glory of God." (1 Corinthians 10:31) Do a quick check of your priorities.

Where does God rank in that list? If He's not first, you have some work to do. Putting God first in everything helps us from putting other "gods" (like our pride, ego, money and possessions) before God. Before making a decision, ask yourself, "I'm I going this for the glory of God or for the glory of me?"

A seventh-grade girl in the parish school was reluctant to come to class after her treatment for cancer. She lost her beautiful hair and was afraid of how others might react. Her mother went to the class a few days before her daughter returned and explained what had happened and asked the class to be considerate. When the young girl finally returned, both she and her mother were shocked to discover that almost the entire class, on their own accord, had shaved their heads bald. Needless to say, her reluctance disappeared.

In the time of Jesus, some people were considered outcasts of society, especially those who failed to keep the law, public sinners, and lepers. They were cast out of the community and no one would associate with them. Isolated from 'normal' society, they found companionship only with each other. When Jesus heals the leper, He not only frees him from the disease, but he also restores him to his community of family and friends.

When we sin, especially in a public way, shame and guilt can isolate us and prevent us from connecting with each other and even with God. We carry the burden of our sin and it may seem that there is little we can do. Forgiveness restores the balance of life. We can repent—turn back—and find our way to a restored and renewed life. Be the forgiver as well as the forgiven. Bring a little balance to your life.

The Prayer Shawl Ministry will meet Tuesday February 13th from 1:00 – 2:30 PM in Room 23 of the Parish Center. This ministry is open to any person interested in knitting or crocheting prayer shawls, lap robes or afghans for the sick and suffering. The ministry also makes hats and mittens for the Giving Tree at Christmas. If you would like to participate but can't make the monthly meetings, please e-mail/call Carol Mulcahy at cmulcahy@live.com/508-898-0409 for more information about patterns and yarn. We would love to have new members since there are many requests for the handmade items. Yarn is available at the Parish Center.

During Lent, we are invited to encounter God in a deeper way through prayer, fasting, and almsgiving and to answer our Gospel call to see the face of Christ in our sisters and brothers in need. During this liturgical season, CRS Rice Bowl—Catholic Relief Services' Lenten program—invites us to encounter God and our global family to learn the impact of issues like hunger and climate change and to reflect on how the Eucharist—the Bread of Life—compels us to share bread *for* life with all members of our human family.

Lenten calendars and symbolic "rice bowls" are available in the vestibule of the church. We invite you to take one to use with your family this Lent.

ENHANCE YOUR EXPERIENCE OF LENT AND THE EASTER SEASON!

We cordially invite you to consider enhancing your experience of Lent, the Easter season and beyond, by joining our St Luke music ministry team. The choir warmly welcomes your gifts of time and talent. Rehearsals take place on Thursday evenings from 7:00 to 8:30, and we sing at the 11:00 Mass on Sunday morning. If you have any questions, or would like more detailed information, please speak to Craig, our music director, or any member of the choir. If you feel that the cantor ministry might be a good fit for you, please speak to Craig. You can also reach him at : music@stlukes-parish.org or: craigjstine@aol.com. All are welcome!

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
