## POWER FROM ON HIGH

*“And [behold] I am sending the promise of my Father upon you;  
but stay in the city until you are clothed with power from on high.”*

The promise of God the Father is the outpouring of the Holy Spirit. We celebrate today that God has bestowed on us power from on high.

What is power good for? To transform, to change things, and to influence others. But here we are talking about divine power, the same power that accompanied God at the very moment of creation, the same power that raised up Jesus from the dead, the same power that we will raise us from our graves. The power of the Holy Spirit unites us as one body in Jesus Christ and beloved children of God. The power of the Holy Spirit enables us to proclaim the message of the Gospel and to transform our reality.

Do you believe in this power? Are you ready to receive it?

Happy Pentecost!

## ! PODER DE LO ALTO!

*Y yo enviaré sobre ustedes lo que mi Padre prometió.  
Pero ustedes quédense aquí, en la ciudad de Jerusalén,  
hasta que reciban el poder que viene del cielo.*

La promesa de Dios padre es el derramamiento del Espíritu Santo. Eso es lo que celebramos hoy, que Dios ha derramado su poder sobre nosotros. ¿Para qué usamos el poder? Para transformar, para cambiar cosas, para influenciar a otras personas. Aquí estamos hablando de un poder divino, el mismo poder que acompañó a Dios en el momento de la creación, el mismo poder que resucitó a Jesús de entre los muertos, el mismo poder que nos resucitará a nosotros.

El poder del Espíritu Santo nos une como un solo cuerpo, el cuerpo de Cristo y como hijos amados de Dios Padre. El poder del Espíritu Santo los capacita para proclamar el mensaje del Evangelio y transformar nuestra realidad.

¿Usted cree en este poder? ¿Está listo para recibirlo?

Feliz Pentecostés!

## A Help Button Should Go Where You Go!

*To be truly independent, your personal emergency device needs to work on the go.*

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
