

SAINT LUKE THE EVANGELIST PARISH

Westborough, MA

Seventeenth Sunday in Ordinary Time

July 28, 2024

Then Jesus took the loaves, gave thanks, and distributed them to those who were reclining, and also as much of the fish as they wanted. When they had had their fill, he said to his disciples, "Gather the fragments left over, so that nothing will be wasted." So they collected them, and filled twelve wicker baskets with fragments from the five barley loaves that had been more than they could eat. When the people saw the sign he had done, they said, "This is truly the Prophet, the one who is to come into the world." Jn. 6: 11-14

There have been many depictions of Christ's famous miracle, but today's painting attempts to capture the experience of today's gospel story with more tension and drama. Christ stands just off-center wearing red (foreshadowing the Passion) and blue. His head tops a pyramidal shape in the picture, which is anchored in the corners, on the left by an old man in a red mantle and on the right by a woman with an outstretched hand and infant. Christ gestures to the basket of loaves being taken away as if to suggest to the younger well-dressed man on the left with his arm outstretched that food is on its way for all and he should be patient. The older bearded man on Christ's right is likely Phillip who helps distribute the bread from the pocket fashioned with his mantle. Sitting immediately in front of Christ in disbelief is likely the 'boy' (wearing a green tunic) who provided the initial five loaves and two fish. Green symbolizes regeneration in Christian art, and here likely symbolizes the renewal that comes through acts of charity. Most importantly, the inherent symbolism in this scene prefigures the Last Supper and institution of the Eucharist.

THE SITUATION

For the last six decades in our country a secular culture has been accelerating at an exceedingly fast pace. Historians, psychologists, political scientists, theologians, and educators have written volumes on this phenomenon; and they argue about the factors driving this growth. However, most of these intellectual elites do agree on many current outcomes resulting from secularism's massive growth. One outcome is that the Christian religion has been pushed to the background, and by many, is considered to be irrelevant in today's social norms.

The family is the foundation of society; religious faith and values are the guiding light directing families' beliefs and behaviors. For two generations, traditional family values have been challenged and eroded by selfishness and greed. Families' moral compasses are spinning wildly, leaving men struggling on how to reconcile these conflicting values.

Take Heart Men; Help is on the way!

See next week's Flock Notes and Bulletin for more information.

VACATION BIBLE SCHOOL VOLUNTEERS NEEDED

SCUBA, Westborough Ecumenical VBS. is in need of a few more volunteers to ASSIST leaders during the week of August 5 - 9, from 9am to Noon. Please won't you consider joining this faith-filled, fun-filled week with our children? We are also looking for a nurse to cover for the same hours. Thank you.

VOLUNTEERS NEEDED: NURSING HOME MINISTRY

Our vibrant nursing home ministry is looking for new members. To bring communion to our two Westborough nursing homes, we need 16 volunteers monthly. If you have a love of the Eucharist and enjoy being with people, we would love to train you to be an extraordinary minister of Holy Communion for our nursing home parishioners. Time commitment is once a month on a Monday morning from 9am until 12 noon. If interested, please contact our pastoral associate Julie Basque for more information and/or training. 508-366-8509, ext. 15 or email pastoralassociate@stlukes-parish.org.

St. Luke's Knights of Columbus Council 85 Receives Top Award

Our KofC Council has received the Star Council award, the Knights of Columbus' top annual award. This recognizes overall excellence in sponsoring faith formation programs and service-oriented activities. Notably, this is Council 85's third consecutive award.

In the last year, Council 85's contributions exceeded \$25,000. Recipients included St. Luke's Parish (e.g., coffee hour, festival, AED/CPR training, scholarships and awards), our community (Food Bank, Mustard Seed, ASP, Project Graduation, Coats for Kids), state and national programs (Tootsie Roll Drive, Visitation House/Pastoral Counseling), and veterans' programs (Wreathes Across America, Hometown Heros.) While not a complete list, this provides a sense of direct support to worthy causes.

Additionally, our local KofC Council provides a wide range of program support, including memorial Masses and prayer services, monthly donations of personal care items to the Westborough Food Bank, hosting the Community Thanksgiving Dinner, maintaining the Crèche display, and making Easter Lily visits. Hundreds of service hours are performed by brother Knights in support of St. Luke's Parish functions, including assisting at Masses, Holy Hour, Icon visits, and the St. Luke Festival.

Council 85 realized membership growth (122% of quota), which indicates the vibrancy of this 150-member organization. Please visit www.kofc85.org and consider joining this worthy enterprise, contributing your time, effort, ideas, and enthusiasm. Membership applications are available online. With as little as a few hours per month, you can make a meaningful contribution.

After the hurricane devastated the south, a group decided to travel there for 10 days to help with the rebuilding efforts. Many people wanted to go but could not get time from work or were constrained by other responsibilities. A local business proposed a plan that would enable everyone to support the effort, even though they could not go. Donations of food, supplies, campers, and trucks were made, all of which enabled the crew to do a great job. The community supplied the mission and great things happened.

When God gives us a mission, He supplies what we need. He never asks us to do anything without giving us all that is necessary for success. There are countless examples of people who have achieved the impossible because they trusted in the power of God. How many churches, schools, hospitals, missions, programs and social causes have flourished in spite of opposition and skepticism? What God decides, He also provides. Just when we think we cannot possibly reconcile, forgive, feed, clothe, give or pray, the Lord comes through and we find that we have all that we need.

What is your impossible task? What is it that God wants you to do? Trust in His Providence. As the proverb says, plan as though all depends on God; work as though all depends on you. He will not fail you.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
