Stop by our **information table** next to the library to pick up registration forms, adult and youth formation materials, or register in the parish. Want more? Go to www.seasparish.org.

St. Francis loved birds and nature, so there are 73 birds in this weekend's bulletin. Can you find them?

Stop in the parish library to see a 3D puzzle of St. Peter's Basilica! The real one is located within Vatican City, but we're lucky enough to have a scaled-down model in our own building, thanks to Bob Lindner. There is a book next to the model that has a lot of information on the Basilica, so please stop by and check out this beautiful masterpiece!
