DONATIONS

**Now online donations can be made. Go to the About tab
and then go to the Finances Committee tab. In the Member
ID put your box number and in comments put if it goes to
something specific (building, cleaning, etc).**

Two Options: credit card or checking/bank account. What's
good here is that you can choose automatic deductions every
week or every month, and you can also stop it if you need to
pause for some time. It's like paying a recurring bill. This is
100% secure and processed by e-Catholic. This will also show
in the year-end Donation Summary letter that we give you for
tax credit.

You can still donate this way:

- Forward your contribution to the office: Mon—Thurs; 9am -

ST. JOHN THE EVANGELIST (& APOSTLE)

St. John the Apostle, the son of Zebedee and Salome, was one of the 12 Apostles of Jesus. John was called to be an Apostle by our Lord in the first year of His public ministry. He is considered the same person as John the Evangelist, John of Patmos and the Beloved Disciple.

John's older brother was St. James the Great, another of Jesus' 12 Apostles. Jesus referred to the brothers as "sons of thunder." John is believed to be the longest living apostle and the only not to die a martyr's death.

St. John is the patron saint of love, loyalty, friendships, and authors. He is often depicted in art as the author of the Gospel with an eagle, symbolizing "the height he rose to in his gospel"!

PARISH HEALTH MINISTRY

Genesis 2:7 "then the Lord God formed man of dust from the ground, and breathed into his nostrils the breath of life; and man became a living being".

Being able to take a breath of air is necessary for life. There are however, some respiratory conditions that create great difficulty taking in that God given breath. There are two I will be discussing and leaving info about on the bulletin board in the community hall-- ASTHMA and COPD .

"Asthma is a disease that affects your lungs. It is one of the most common long-term diseases of children, but adults can have asthma, too. Asthma causes wheezing, breathlessness, chest tightness, and coughing at night or early in the morning. If you have asthma, you have it all the time, but you will have asthma attacks only when something bothers your lungs." (CDC.gov)

"Chronic obstructive pulmonary disease, or COPD, refers to a group of diseases that cause airflow blockage and breathing-related problems. It includes emphysema and chronic bronchitis. Although there is no cure for COPD, it can be treated." (CDC.gov)

Knowing what signs and symptoms to watch for and getting early treatment along with removing the offending triggers to attacks----allows less loss of school and work time/faster recovery. Please take a few minutes and check out the bulletin board info ----you may know someone or you yourself may have one of these conditions----there may be something new!

St. Patrick's Day, March 17

Saint Patrick pray for us!

St Patrick Prayer!

As I arise today, may the strength of God pilot me,
the power of God uphold me, the wisdom of God guide me.
May the eye of God look before me, the ear of God hear me,
the word of God speak for me.

May the hand of God protect me, the way of God lie before me,
the shield of God defend me, the host of God save me.
May Christ shield me today.

Christ with me, Christ before me, Christ behind me,
Christ in me, Christ beneath me, Christ above me,
Christ on my right, Christ on my left, Christ when I lie down,
Christ when I sit, Christ when I stand, Christ in the heart of
everyone who thinks of me, Christ in the mouth of everyone
who speaks of me, Christ in every eye that sees me,
Christ in every ear that hears me.

Amen

I have decided not to
let this Lent go by like
rain on stones, leaving
no trace. I will let it
soak into me, changing
me. I will be converted.
I will turn again to
the Lord and love
Him as He wants
to be loved.
