PARISH HEALTH MINISTRY

“My body and my heart waste away; God is the strength of my heart; God is my portion forever.” (PSALMS 73:26)

The heart is the center of many topics in the bible from physical to spiritual but God is the saving feature for an ill heart. February is National Heart month along with Valentines day—so the topic of certain heart conditions will be discussed as well as normal heart function display charts made available on the bulletin board in the community hall.

When a heart is functioning as it should, circulation makes its way to all the parts of your body with life giving oxygen and nutrients. However, when the hearts' rhythm is disturbed by an electrical conduction disorder called “**ATRIAL FIBRILLATION**” there is a disruption in the process. The heart is no longer able to carry out its role of being a reliable transporter of oxygen to the body parts and thereby needs to work harder.

Sometimes this condition is controlled with medications, cardiac conversion or surgical ablation.

If uncontrolled it may lead to a condition called “**CONGESTIVE HEART FAILURE** or **HEART FAILURE**”. (Atrial fibrillation is not the only cause of heart failure –there are many more risks)

This doesn't mean your heart has stopped working or is going to stop.

It means your heart's pumping ability is weaker than normal and beats with less force.

Symptoms of “heart failure” may include all or some of the following symptoms:

--Excessive tiredness, fatigue and weakness – muscles aren't getting enough oxygen.

--Shortness of breath—excess fluid in your lungs.

--Weight gain and swelling (edema)--common signs of heart failure due to lack of adequate circulation.

--Changes in how often you urinate—At night more blood is being pumped to your kidneys because your brain and muscles are resting and need less blood---so your kidneys can play catch up. More frequent trips to the bathroom may result.

Although there is no cure for congestive heart failure—symptoms can be monitored and managed.

CHECK OUT THE INFO ON THE BULLETIN BOARD IN THE COMMUNITY HALL.
