CHECK OUT THE INFO ON THE BULLETIN BOARD IN THE COMMUNITY HALL.

Brain injury/Concussion is the topic of the info on the bulletin board in the dining hall.

What can be the cause/ What are some of the symptoms /What may be the treatment options and what part of the brain does I what?

You may all either know of someone or have your-self experiences a concussion from a sport accident/car accident/fall or other less common causes. Unlike a broken bone or a cut—this injury is unseen but there are symptoms that may lead to it's discovery and treatment.

Take a few minutes and check out the info on the dining hall bulletin board– it may help you identify this trauma in someone and lead to early treatment. There will also be a posted a number to call for more information.
