## MOTHER'S DAY PRAYER

Heavenly Father,

On this Mother's Day, we lift our hearts to You in gratitude for the gift of motherhood. We celebrate the strength, patience, and nurturing love that mothers so generously extend. Thank You for the hands that hold us, the hearts that understand, and the love that comforts us. Bless each mother with wisdom, peace, and joy. Grant them rest from worries and the courage to face each day with hope. For those who struggle or grieve, wrap them in Your comforting arms, reminding them that they are not alone.

For all they have done and all they continue to do, we thank You. May their lives be a reflection of Your grace as they guide and nurture the next generation of faithful hearts.

In Jesus' name, we pray, Amen.

## POPE LEO XIV

O God, shepherd and ruler of all the faithful, look favorably on your servant Robert Francis Prevost, whom you have set at the head of your Church as her shepherd; grant, we pray, that by word and Example he may be of service to those over whom he presides so that, together with the flock entrusted to his care, he may come to everlasting life.

Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever. Amen.

## PARISH HEALTH MINISTRY

**“He who has ears to hear, let him hear.”**

**Luke 14:35**

Just a few statistics from the “Hearing Loss Association of America”

- **Approximately 48 million adults in the US report some degree of hearing loss.**
- **Hearing loss is a major public health issue that is the 3<sup>rd</sup> most common physical condition after arthritis and heart disease.**
- **In the US, 3 out of every 1000 children are born hard of hearing or deaf.**
- **In adults, the most common causes of hearing loss are noise and aging.**
- **Depression and isolation are common among those with hearing loss.**
- **Men are more likely to develop hearing loss than women.**
- **only 1 out of 5 people who could benefit from a hearing aid actually wears one.**

Take a moment over the next few months to read the info on the bulletin board in the dining hall regarding hearing loss/aids/troubleshooting/communication tips. Most of the info I got from the organization above-- “Hearing Loss Association of America”. It is a good web resource for more info on how to face the challenges of hearing loss ie: kit for hospital and medical care communication considerations, drivers license, hearing aid types, how to better communicate with someone who is hard of hearing/deaf.
