Corpus Christi Sunday

Jesus, Body and Blood,
we are grateful for the gift
of your life
and the way it strengthens us
to live ours.

Teach us to draw on the gift
of your Body and Blood

Summer Adult Formation "The Mass"

By Bishop Robert Barron's

Walk through the Liturgy with Bishop Barron and be transformed through insights on this most privileged and intimate encounter with our Lord Jesus Christ. See how the Mass brings us out of the fallen world and into the heavenly realm, how it resonates with a call from God and a response from his people, the Church, and, most importantly, how we are

intimately joined with the Body, Blood, Soul and Divinity of Jesus through the Holy Eucharist. **The Mass** will help you understand how to fully, consciously, and actively participate in the source and summit of the Christian life.

Every Wednesday Starting : **June 4, 2025**
at **6:00pm to 7:30pm**

PARISH HEALTH MINISTRY

“He who has ears to hear, let him hear.”

Luke 14:35

Just a few statistics from the “Hearing Loss Association of America”

- **Approximately 48 million adults in the US report some degree of hearing loss.**
- **Hearing loss is a major public health issue that is the 3rd most common physical condition after arthritis and heart disease.**
- **In the US, 3 out of every 1000 children are born hard of hearing or deaf.**
- **In adults, the most common causes of hearing loss are noise and aging.**
- **Depression and isolation are common among those with hearing loss.**
- **Men are more likely to develop hearing loss than women.**
- **only 1 out of 5 people who could benefit from a hearing aid actually wears one.**

Take a moment over the next few months to read the info on the bulletin board in the dining hall regarding hearing loss/aids/troubleshooting/communication tips. Most of the info I got from the organization above-- “Hearing Loss Association of America”. It is a good web resource for more info on how to face the challenges of hearing loss ie: kit for hospital and medical care communication considerations, drivers license, hearing aid types, how to better communicate with someone who is hard of hearing/deaf.
