“Untold Blessings: Three Paths to Holiness”

By Bishop Robert Barron

Our ultimate goal is to become saints—a calling placed on each of us by our Creator. In *Untold Blessings: Three Paths to Holiness*, Bishop Barron presents a powerful and inspiring vision of the journey toward holiness. Through this six-week program, we will explore three essential paths:

- Finding your center in Christ
- Acknowledging that you are a sinner
- Realizing your life is not about you

Join us as we grow in faith and discover the deep, transformative blessings that come from walking the path of holiness.

Every Wednesday Starting : **July 30, 2025**
at **6:00pm to 7:30pm**

PARISH HEALTH MINISTRY

“He who has ears to hear, let him hear.”

Luke 14:35

Just a few statistics from the “Hearing Loss Association of America”

- **Approximately 48 million adults in the US report some degree of hearing loss.**
- **Hearing loss is a major public health issue that is the 3rd most common physical condition after arthritis and heart disease.**
- **In the US, 3 out of every 1000 children are born hard of hearing or deaf.**
- **In adults, the most common causes of hearing loss are noise and aging.**
- **Depression and isolation are common among those with hearing loss.**
- **Men are more likely to develop hearing loss than women.**
- **only 1 out of 5 people who could benefit from a hearing aid actually wears one.**

Take a moment over the next few months to read the info on the bulletin board in the dining hall regarding hearing loss/aids/troubleshooting/communication tips. Most of the info I got from the organization above-- “Hearing Loss Association of America”. It is a good web resource for more info on how to face the challenges of hearing loss ie: kit for hospital and medical care communication considerations, drivers license, hearing aid types, how to better communicate with someone who is hard of hearing/deaf.
