Groups and Services in our Parish Community

PARISH HEALTH MINISTRY

*"There is an appointed time for everything,
and a time for every affair under the
heavens.*

*A time to give birth, and a time to die; a time to plant, and a
time to uproot the plant.*

*A time to kill, and a time to heal; a time to tear down, and a time
to build.*

*A time to weep, and a time to laugh; a time to mourn, and a
time to dance.*

*A time to scatter stones, and a time to gather them; a time to
embrace, and a time to be far from embraces."*

Ecclesiastes 3:1-5

Change in life is inevitable.

GRIEF is "the instinctive human response to loss." Divorce, death, aging, and illness are examples of what may cause grief. We all grieve differently in our own rhythm of passing time. Grief vs mourning: grief is what we think and feel inside. Mourning is the outward expression of grief. Crying, telling stories, journaling, praying, and support groups are examples. Mourning, over time, is how we begin to **heal**.

In recent years, I have offered a DVD/booklet session, "Surviving the Holidays." It offers strategies, suggestions, and discussion on how to deal with grieving the loss of a loved one when holidays occur. I would like to know if anyone would be interested in attending this 1.5-2 hour session in the Fall. A sign-up sheet will be left in back of the Church in September.

Please take a few minutes to check out the new GRIEF info on the bulletin board in the dining hall.

In January 2026, I will offer the opportunity to fill out your funeral info sheet for our parish. It allows you to assist your family by pre-selecting the readings, songs, and other preferences for your funeral mass. If you already have the form and need help filling it out,
