Welcome to St. Anne - St. Patrick Parish!

Thank you for being a valued part of the St. Anne St. Patrick Parish community. As we grow together in Christ through worship, prayer, and service, we invite you to deepen your connection with the parish and support one another in faith..

PRAYER FOR THE PARISH

Loving God, through Baptism, You have called us to be members of Your family. As members of this parish family of St. Anne-St. Patrick, we ask You to hear our prayer for our community of faith. Help us to be open to You and to each other. Teach us Your will as we listen to Your spoken word of Scriptures and Your Word reflected in our brothers and sisters. Send us Your Holy Spirit to guide us as we grow together in our faith. Help us to reflect Your love to one another, and through Your Son, Jesus, help us to live as Your sons and daughters. May we be good stewards of all that You have entrusted to our care, so that "Your Kingdom Come." Amen.

18th Sunday in Ordinary Time

"Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions." (Luke 12:15)

The Gospel message is contrary to modern culture that continually tries to convince us that our joy comes from the material things we possess. That the more we acquire, the happier we will be. Jesus shows us that our true joy comes from our "invisible" gifts like love, mercy, and forgiveness. True joy comes from "emptying" ourselves, giving of ourselves rather than always taking. We are called not to hoard but to share. True joy comes from living a grateful and generous lifestyle; become more "God-centered" and less "self-centered."

Be Prepared!!!

SCAM ALERT

If you receive a call from someone asking to make a payment for a new meter from National Grid before they can begin the job - it is a SCAM looking to steal your money. Do not fall for it! You are not charged for meters. These scammers are taking advantage of the notice from NGrid that meters are being updated to a new style. This happened here at St Anne - St Patrick! We are blessed to have a bookkeeper who caught it.

Email scam detection hint

There have been other recent nefarious attempts at theft through emails and text messages (best example is supposedly from the Fastlane -Mass DOT). Sometimes the easiest thing to do is CAREFULLY look at the spelling of the sender's domain name (ours is NAME@worchesterdiocese.org). Very slightly mis-spelled names (like two nn's instead of an m) or names that don't look familiar are good indicators - as well as requests for actions that are out of the ordinary (like the fake emails from Bishop McManus or a pastor looking for gift cards.) Question things to sort the legitimate emails from the fake ones. In this digital world we cannot just ig-
