

Dear Community Member:

The St. Mary's Family Festival Committee is excited to begin planning for this year's event, which will be held Friday, September 12th through Sunday, September 14th. This beloved community celebration draws thousands of children and adults each year. We cannot wait to join together this fall to raise much needed funds for both the educational needs of our School and the work of our Parish Ministries.

We are fortunate to be in a community among so many generous business people like yourselves, and we have come to rely on your support to help make the Festival a success. Please consider one of the following ways to support the Festival this year:
