

Blessed Sacrament Parish

28th Sunday in Ordinary Time

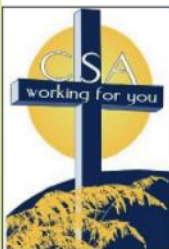

October 11, 2020

Building Project Update

The first phase of the building project will include expanding the Parish Hall and adding a commercial kitchen to better serve our busy parish and school. With the expansion, the Parish Hall floor space will double. Also, flexible classrooms and meeting spaces will be added to serve our growing needs and alleviate scheduling issues. A much-needed elevator will be included along with more restroom facilities on both the first and second floors. The commercial kitchen will be constructed adjacent to the Parish Hall to prepare lunch for Trinity students and serve large parish gatherings. The existing kitchen will remain.

National Council of Catholic Women (NCCW)

At the request of the bishops of the United States, the National Council of Catholic Women was founded in 1920, for the purpose of uniting the efforts of Catholic women's groups. NCCW is an organization representing millions of women, who through diocesan and parish affiliates, support, empower, and educate Catholic women in spirituality, leadership, and service. All women of our diocese are invited and encouraged to consider membership in this distinguished organization. By joining your parish affiliation of Catholic Women, you are automatically a member of the Diocesan, State, and National Council of Catholic Women. Your voice then becomes one of many to be heard not only in the diocese but in the state and on the national level as well.

Rite of Christian Initiation of Adults (RCIA)

Are you interested, or do you know any other adult who has interest, in joining into full communion with the Catholic Church? Our newly redesigned RCIA process is structured to permit participants to begin and join our gatherings at any time during the year. We will meet on most Sundays throughout the year between 9:15 AM and 10:15 AM. For further information, contact the parish rectory or call Deacon Louis Feté at (850) 386-8715 or email at fetel@clergy.ptdiocese.org.

Peter's Pence Collection

Today is the Peter's Pence Collection! Your generosity will support the activities of the Holy See and the charitable works of Pope Francis. Please prayerfully consider how you can support the collection this year.

INTERNATIONAL BACCALAUREATE FALL 2020 UPDATE

The IB Middle Years Program at Trinity Catholic School offers an exceptional education through discipline, excellence, and leadership.

ACADEMIC EXCELLENCE

The IB MYP educational experience sets the standard for students to take responsibility for their own learning. IB MYP students go beyond the traditional "paper and pencil" test.

In preparation for the challenges and requirements of higher learning and faithful citizenship, students are required to validate answers and defend positions. In a real world setting, students must apply new skills, **independently creating a product or performance.**

- **MYP enrollment is shown to increase college-readiness by 39%.**
- 8th Graders averaged 3.1 years above grade level on the Nationally Standardized Terra Nova Achievement Test.
- 42% of 8th Graders earned the President's Education Award for Academic Excellence, versus 3% nationally, earning a 3.5 or higher GPA and an 85% or higher score on the Terra Nova Test.

Students exhibit ingenuity in working through complex, real-world problems.

Through service, students work with faculty sponsors to address needs within the community.

COMMUNITY PROJECT

The IB MYP Community Project embodies the students' commitment to their Catholic faith, community, and service.

All students in eighth grade are required to complete the IB MYP Community Project. Students collaborate to:

- **Investigate** local and global needs
- **Plan** a service project
- **Take action** for change
- **Reflect** on their experiences
