Building Project Staying on Track

So much has happened since we gathered together at our leadership receptions earlier this spring for the *Building Our Catholic Community Together Capital Campaign*.

During the recent crisis, our primary concern has been to take care of our parishioners' immediate needs. We called all of our parishioners, starting with our senior members. We then arranged grocery deliveries, cared for sick parishioners, and provided for emergency needs.

Even with our focus on "people first," our work with the building project continued with the architects conducting design workshops and the parish staff facilitating upcoming construction.

Because this project is essential to our future, we are continuing with the planning, permitting, and groundwork to make our combined vision a reality.

***Parishioners are always our priority!
Including during the COVID crisis.***

Architects on Campus

Our architects, Rowland Davidson (AIA, ASID), Senior Principal, and Phil Laney, Director Church Studio with Lyman Davidson Dooley, joined us for design workshops in April and May. The firm has an exceptional record with over 20 large church projects in Florida, including the Diocese of Orlando, and over 100 church projects in Georgia.

During each two-day workshop, our architects addressed the following needs:

1. Fire escapes
2. Hallway widths
3. Elevator sizes
4. Walkways and circulation
5. Utilization by both the parish and school
6. Resolution of flooding and drainage issues
7. Florida Building and Fire Code requirements

The architects are ensuring we will have the safety features of modern buildings and build in a way that does not make campus flooding worse. Moore Bass Consulting is handling the civil engineering necessary for the project.

Additional workshops will take place throughout the summer months as we refine the project and coordinate the permitting process with the City of Tallahassee.

Karen Koelemij (President, Orange State Construction), Yvonne Mikeworth, and Fr. Pete discuss plans with Rowland Davidson.

New Project will Address Campus Water Challenges

Regular flooding throughout our campus, and even in some buildings, is a challenge the parish has endured for some time. This is, of course, due to the elevation changes in our neighborhood. Finding solutions is a priority. Moore Bass Consulting, our civil engineering firm, is coordinating with our architects for the optimal design to improve the situation.

We moved forward with part of the solution in May when, with the assistance of some generous parishioners, we acquired land contiguous to our campus. This property is where some of the water challenges originate. The Diocese made a generous financial contribution for the purchase, and we thank Bishop Wack for the assistance!

Heavy rain on July 24, 2018 resulted in flooding throughout campus.

Newly acquired property will help us to address flooding on campus.

Capital Campaign

Our well-attended capital campaign leadership receptions were held just as the virus crisis was beginning to affect our community. Initial pledge packets were distributed to those who attended and I am happy to report that we have received a number of generous pledges and donations for the campaign.

As things return to normal, we will be reaching out to you regarding your involvement. Your commitment will make the project possible as we go forward!

I have already made my pledge and look forward to you joining me as we make the project a success.

Fr. Pete Zalewski

Fr. Pete Zalewski, Pastor Blessed Sacrament

The more a person loves God,
the more reason he has to
hope in Him. This hope produces
in the Saints an unutterable
peace, which they preserve even
in adversity, because as they
love God,
and

know how
beautiful
He is

to those who love Him,
they place all their
confidence and find all
their repose in Him alone.”

— **Saint Alphonsus Liguori**

O Mary,
you always shine on our path
as a sign of salvation and of hope.
We entrust ourselves to you,
Health of the Sick, who
at the cross took part in Jesus' pain,
keeping your faith firm.
You, Salvation of the Roman People,
know what we need,
and we are sure you will provide
so that, as in
Cana of Galilee,
we may

return to joy

and to feasting
after this time of trial.
Help us, Mother of Divine Love,
to conform to the will of the Father
and to do as we are told by Jesus,
who has taken upon himself our sufferings
and carried our sorrows
to lead us, through the cross,
to the joy of the resurrection.
Amen.
