God took the fragrance
of a flower...

The majesty of a tree...

The gentleness of
morning dew...

The calm of a quiet sea...

The beauty
of the twilight hour...

The soul
of a starry night...

The laughter of a
rippling brook...

The grace of a bird
in flight...

Then God fashioned
from these things

A creation like no other,

And when his
masterpiece was through

He called it simply -
Mother.

- Herbert Farnham

Caring for Creation

We are all a part of creation and entrusted by God with its care—A message from Big Bend Catholics Caring for Creation. A paradigm shift is taking place in the auto industry with manufacturers scrambling to meet emissions standards and switching to electric vehicle production. Our gas vehicles may begin to lose their value as this transition takes place. Now is the time to consider switching to more economical and earth-friendly vehicles. See this DOE document explaining the types of electric vehicles and other information needed to make a selection to fit your needs.
