Capital Building Campaign

It has been a busy summer for the building project! While many preparations are "behind the scenes," we will have on-site visibility soon with the structural verification of the parish hall. Our structural engineer will test and analyze the parish hall's weight-bearing components, such as beams, columns, and trusses. The process includes non-destructive testing, core samples of the roof and floor, and probing the exterior foundation/footings. Of course, we will coordinate with Trinity for the least amount of disruption for the students.

If anyone has access to or knows the original plans for the parish hall, please contact Mary Rose at the church office at 850-222-1321.

Church in Latin America collection is August 13-14, 2022. This national collection supports many pastoral projects that benefit the faithful in Latin America and the Caribbean. Brazil's Associacao do Sementes do Verbo (Seeds of the Word Community) is a young and growing congregation with a unique vision of forming missionary communities of disciples in all states of life—consecrated men and women, clergy, lay missionaries, and married couples and families, all living together in community. Founded in 2004, Sementes do Verbo has 20 communities throughout Brazil, as well as in Portugal, Belgium, Canada, Comoros, and Mozambique. A central aspect of the group's spirituality is a nine-month formation period called a "sabbatical year," during which participants live in a mission house with the community and study Scripture; take courses in the theology of the body and human sexuality, with an emphasis on prevention of abuse; and participate in spiritual exercises and parish mission weeks.
