Building Project News

What is the purpose of the commercial kitchen?

The new kitchen will be ideal for serving wedding receptions, banquets, parish dinners, KOC events, school lunches, etc. The kitchen will feature large storage spaces, heavy-duty appliances, and unique features to meet food safety standards. It will handle a high output and produce food at a greater capacity than the existing kitchen. Of course, the existing kitchen will remain operational, ensuring the most versatile and flexible food service options for our parish and school. Couple the two kitchens with the additional space in the parish hall expansion, and the possibilities are endless. Contact Mary Rose DiMarco at the parish office, (850) 222-1321 or mrDIMARCO@bsctlh.com, for more information about the project and campaign.
