Building Project News

It takes many hands to make a project of this size become a reality. We are very grateful for the assistance of Ken and Mary Roeder, who took on the vital task of inventorying Building C. Thanks to their hard work, we have an extensive list and photos of everything in the building, from the fixtures to the ceiling tiles and everything in between.

The inventory allows us to create a plan to reuse items in the new construction or elsewhere. Thank you, Ken and Mary! For more information about the building project and to donate to the capital campaign, visit the project website, bscbuildingproject.com, or contact Mary Rose DiMarco at the parish office (850-222-1321 or mrDIMARCO@bsctlh.com).
