Love of God and love of your neighbour are two expectations Christ has for us brothers and sisters. When asked this question by one of the Pharisees, "Teacher, which is the greatest commandment in the Law?" Christ quotes from the O/T Book of Deuteronomy. Here he says the "Shemah Israel", which is a profession of faith almost for the Jewish people. "Hear O Israel, the Lord is our God, the Lord is one. Love the Lord your God with all your heart, soul, and your might." Before they leave he says "There is a second", and he then quotes from the Book of Leviticus adding, "Love your neighbor as yourself." They would be surprised and incensed that he would place them together, almost on par with each other.

Love of God and neighbour are two legs so to speak, of our Catholic Christian way of life, they are expectations. We can't say we love God if we hate our brother and sister. Our attendance at Sunday Mass and daily prayers are two gauges we can use, to test our Love of God as Catholics, and our neighbor.

In and through both of these, our discipleship becomes whole and full, and we receive from the Trinity both grace and mission in return.

Love for God and neighbor are one of the aspects that distinguishes us as the Church of God, and is the doorway to a healthy Catholic way of life. Thanks be to God.

ROSARY

The rosary is a prayer based on the repetition of the Lord's Prayer, the Hail Mary, and the Glory Be. During its recitation the believer reflects upon the birth, life, death, and glory of Jesus Christ and the role of Mary. A chain of beads resembling a garland of roses gave the rosary its name. The beads are not essential to the prayer, but they help count through 50 Hail Marys (five decades). The recitation of the traditional 15 decades permitted unlettered Christians to imitate more simply the monastic practice of reciting all 150 psalms in weekly prayer.

In addition to meditation, the rosary leads to petition. It implores Mary's intercession in bringing our prayers to God. As she won the cooperation of Jesus at the wedding feast at Cana, so we ask her to bring our needs to the Holy One of God.

The precise origins of the rosary are obscure, but it probably formed in imitation of meditative practices of Islam and after the Christian desire for prayer in a language more easily understood than the Latin of the Mass. Its popularity increased after the 15th century due to the zealous encouragement of the followers of St. Dominic, who believed our Lady had miraculously given the rosary to him. Because believers who attended Mass at that time had less to say, do, or see compared with today, the recitation of the rosary during Mass became a popular Catholic devotion much encouraged by religious educators. The popes of the church have continually cultivated the rosary as part of the faithful's private devotion and especially in family prayer. Many Catholics recite it privately or in groups before Mass. The liturgy for the dead calls for a vigil service of Scripture readings on the night before the funeral, but many parishes replace it with the rosary, even though the rubrics make no such provision.

Catholics may observe some people praying the rosary during Mass. This was an honored custom for many centuries. Today we are encouraged to participate in the Mass and to pray the rosary apart from the Eucharist.

CHATHAM CATHOLIC FAMILY OF PARISHES PRAYER OF UNITY

Come Holy Spirit!

Guide us through the winds of change and uncertainty. Grant us the wisdom we need to be open to new possibilities.

Unite us as one faith community so that we may pray, worship and serve one another in Christ's name.

May the richness, diversity and gifts of our people be treasured and used to become one in the body of Christ.

Open our eyes to see this moment of change as invitation to build up the Kingdom of God.

Surround us with courage and clear vision as we discern God's will for the spiritual renewal of our family of parishes.

Help us use the gifts you have given us through baptism to become a vibrant, refreshed community of faith, united in mission and dedicated to living out the Gospel of Jesus.

We pray all these things through Christ, our Lord.

Amen.

TIME CHANGE

Standard Time begins at 2 a.m. Sunday, November 5. Remember to turn your clocks back one hour.

Love of God and love of your neighbour are two expectations Christ has for us brothers and sisters.

When asked this question by one of the Pharisees, "Teacher, which is the greatest commandment in the Law?" Christ quotes from the O/T Book of Deuteronomy. Here he says the "Shemah Israel", which is a profession of faith almost for the Jewish people. "Hear O Israel, the Lord is our God, the Lord is one. Love the Lord your God with all your heart, soul, and your might." Before they leave he says "There is a second", and he then quotes from the Book of Leviticus adding, "Love your neighbour as yourself." They would be surprised and incensed that he would place them together, almost on par with each other.

Love of God and neighbour are two legs so to speak, of our Catholic Christian way of life, they are expectations. We can't say we love God if we hate our brother and sister. Our attendance at Sunday Mass and daily prayers are two gauges we can use, to test our Love of God as Catholics, and our neighbour.

In and through both of these, our discipleship becomes whole and full, and we receive from the Trinity both grace and mission in return.

Love for God and neighbour are one of the aspects that distinguishes us as the Church of God, and is the doorway to a healthy Catholic way of life.

Thanks be to God.
