MOST HOLY BODY AND BLOOD OF CHRIST

DEACON'S PEN

A short story I came across recently which I thought very profound, especially on the feast of the Most Holy Body and Blood of Christ. (Corpus Christi).

How can God be present in a tiny host?

Some time ago, a street-corner preacher who knew how to make religious truths come to life was faced by a hostile crowd.

"How," one of them demanded, "is it possible for bread and wine to become the Body and Blood of Christ?"

The preacher looked calmly at the stout questioner for a moment and answered, "You have grown somewhat since you were a child and have more flesh and blood than you had then. Surely, if a human body can change food and drink into flesh and blood, God can do it too."

"But how," countered the heckler, "is it possible for Christ to be present in his entirety in a small host?"

The preacher glanced up at the sky and down at the street before them and answered, "This city scene and the sky above it is something immense, while your eye is very small. Yet your eye in itself contains the whole picture. When you consider this, it won't seem impossible for Christ to be present in his entirety in a little piece of bread."

Once more the heckler attacked. "How, then, is it possible for the same Body of Christ to be present in all your churches at the same time?"

The preacher's answer: "In a large mirror you see your image reflected but once. When you break the mirror into a thousand pieces, you see the same image of yourself in each of the hundred fragments. If such things occur in everyday life, why should it be impossible for the body of Christ to be present in many places at once? Just tell me, what isn't possible for God?"

(Harold Buetow in *God Still Speaks: Listen!*)

Peace and May God Bless you all;
Deacon Morgan

MIGRANT WORKER MINISTRY OUTREACH

How We Can Help

Every year we are blessed with many workers who come to help with the work needed to harvest food on our local farms. These people who come to work and live among us are our neighbours and our parishioners. They leave their country to earn a living, so that they can send support back home to their families.

Since COVID has begun our Migrant Workers Ministry has not been able to provide Masses in Spanish, gathered meals, or ministry visits for those who come to work and are far away from their families.

We can help! The Migrant Workers Ministry are preparing Welcome Bags with toiletries, personal items and prayer aides in Spanish and more. The bags will be delivered to the men during June. They are inviting us to help with the cost of putting these bags together.

Please pray and consider a monetary donation. Donations can be made via:

- Cheque - payable to St. Joseph Parish; "Migrant Workers Ministry" in the memo line
- E-transfer - stjoseph@dol.ca "Migrant Worker Ministry" in the Note section
- Cash or Cheques can be dropped off in the white locked drop boxes at St. Agnes or St. Ursula

Thank you for your support and part in welcoming these men to our community!

HOW TO DONATE TO THE CHATHAM CATHOLIC FAMILY OF PARISHES

As we are all forced to slow down in our current world, unfortunately some things continue along, such as our household bills and expenses. The same goes for our parishes as well, that operate mainly on donations received at Mass. To donate, there are some options such as e-transfer, mailing or dropping off a donation, pre-authorized debit and an easy, online option. For more details, go to our parish website at ccfp.dol.ca and select the "Giving" tab and then "How to donate."

If you wish to drop off donations, please drop them into the white locked mail box at St. Agnes parish office. The mail box is checked daily.

We are so thankful for your continued support throughout these changing times.

CHURCH CHUCKLE

A mother was preparing pancakes for her sons, Kevin age 5 and Ryan age 3. The boys began to argue over who would get the first pancake. Their mother saw the opportunity for a moral lesson.

"If Jesus were sitting here, He would say, 'Let my brother have the first pancake, I can wait.'"

Kevin turned to his younger brother and said, "Ryan, you be Jesus!"

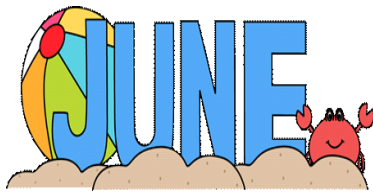

GOSPEL REFLECTION

As our world faces so much turmoil and change, it is now more important than ever to remember who God is, who we are and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, "the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist." What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success.

There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go. Our faith community is ignited with the fire of God's love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. "There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us." Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God's unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.

Feast of the Body and Blood of Jesus
Corpus Christi Sunday, June 6th, 2021

June Activities for Catholic Families

- participate at Sunday Mass in person(if possible) or online-talk about the parts of the Mass
- plan a treasure hunt in your yard to celebrate St. Anthony's feast day June 13th
- do something special for your parish priests for Father's Day to say thanks for their leadership
- share your favourite story about Jesus with others like St. Peter and St. Paul did. Their feast day is June 29th

The Feast of Corpus Christi is a remembrance of Holy Thursday, when Jesus instituted the Eucharist at the Last Supper. It is the feast that honours the Body and Blood of Jesus and encourages us to spend time with the Blessed Sacrament. In the 13th century, a young Augustinian nun from Belgium named St. Juliana of Mont Cornillon suggested the idea of a feast day devoted to the Blessed Sacrament. She strongly believed that the feast would help people become stronger in their faith. In 1264, six years after the Belgian nun's death, Pope Urban IV made the celebration a feast day for the whole church. Today, the feast is celebrated in June on the first Sunday after Trinity Sunday.

Corpus Christi Sunday allows us to focus solely on celebrating the real presence of Christ – Body, Blood, Soul, and Divinity – in the bread and wine.

Josephine Nobisso's book – [The Weight of the Mass: A Tale of Faith](#), can help children understand the importance of the Mass. There is a read-aloud/animated [video](#) of this book as well. <https://www.youtube.com/watch?v=ICDdm-NqtoQ>

The Feast of Corpus Christi is definitely about understanding the importance of the Eucharist as the Body and Blood of Christ. However, the bread and wine can only be transformed into Christ, through the Mass. Understanding the value and importance of the Mass is important, especially since it is so often taken for granted.
