## CHATHAM CATHOLIC FAMILY OF PARISHES

### GRATITUDE, MOVING IN & GETTING TO WORK - A note from Fr. John

Dear Parishioners of the Chatham Catholic Family of Parishes,

#### WORDS OF GRATITUDE TO EVERYONE IN THE FAMILY!!

I want to express my deepest gratitude and thanks to Fr. Jim, the priests and deacons, Pastoral Team, Administrative Team and Support Staff for their openness, generosity and support during this time of transition. I also want to thank the Pastoral Council and Finance Committee for their leadership and hard work bringing the Catholic communities of Chatham together as one family the last three years. I have had great opportunities over the last few months to attend online staff meetings, Pastoral Council meetings and one Finance Committee meeting. I have also had the chance to connect with most staff members individually learning about their ministry and the family.

With each conversation and visit to Chatham, I am learning of the many ministries, programs and outreach that takes place. These are signs of light, hope and joy of the Gospel that is being lived out by all members of the family. I am looking forward to being part of this wonderful community and seeing how I, along with Fr. Robert and Fr. Dariusz, can serve with you and for you.

#### 3 NEW PRIESTS COMING TO CHATHAM

As Fr. Jim, Fr. Jude, Fr. Olivet and Fr. Stan move to other communities in the diocese, I am being joined by Fr. Robert Weaver and Fr. Dariusz Lewandowski, CSMA. Fr. Robert is a priest of the Diocese of London and has been ordained for 3 years. Fr. Dariusz is a priest of the Congregation of St. Michael the Archangel (Michaelites), who is originally from Poland but has served in our diocese and the Archdiocese of Toronto with his community since his ordination 17 years ago. I am a priest of the Diocese of London and have been ordained for 20 years serving in various parishes, clusters and for a brief time, as Director of Vocations. Although born in London, my parents were immigrants from Poland and so Fr. Dariusz and I will be able to celebrate Masses in Polish at Our Lady of Victory. *Niech będzie pochwalony Jezus Chrystus!*

All three of us are eager, excited and really looking forward to making Chatham home and getting to know all of you (as we pray for the end of the pandemic). We are also looking forward to working with the amazing staff, continuing in the mission of forming intentional disciples who reach out to all.

Just to let you know, Fr. Robert and Fr. Dariusz will be living at the Blessed Sacrament rectory while I will be living at the St. Ursula rectory. This will give us the space we need for ministry and greater opportunity to invite family, friends and brother priests to visit each of us.

*"The joy of the gospel fills the hearts and lives of all who encounter Jesus"*

# FORMING DISCIPLES AND REACHING OUT TO ALL

## TEMPORARY MASS SCHEDULE

The pandemic has been a very challenging and difficult time for all of us. The lockdowns and limited opportunities to celebrate our faith in person has made things even harder. Although the closing of churches and attendance limits have been necessary, the good news is that we see light at the end of the tunnel. More and more people are getting vaccinated and we have seen the COVID-19 numbers continue to drop steadily in Ontario. There is a great desire for all of us to establish a "new normal" as a number of businesses, programs and activities begin to safely open up this summer.

After consulting with parish staff, we too want to open wide the doors of our churches drawing close to Christ through the gift of the Eucharist and one another within the COVID-19 guidelines given to us by Bishop Fabbro and the Ontario government. We have established a **temporary weekday and weekend Mass schedule effective July 6, 2021** (please see below) similar to the one prior to the pandemic. This temporary schedule (which will be re-evaluated in the fall) will allow Fr. Robert, Fr. Dariusz and I some time to get our feet wet, unpack, learn more about the family and have a better understanding of how we can move forward together. I want to thank you in advance for your patience and understanding as we adjust to our new home and ministry in Chatham.

## GETTING TO WORK

Fr. Robert, Fr. Dariusz and I are eager to move in and get to work along with all the staff serving all the people of Chatham and beyond. Over the coming months we will slowly get to know all of you as you get to know us. Early in July we will begin posting online SPOTLIGHT interviews of the family staff in addition to podcasts, blog posts and other online opportunities to strengthen our faith.

God bless and be assured of our prayers!

*Fr. John*

## DEACON'S PEN

A vicious attack killed 4 Muslim people in London on June 8, 2021. This is not in line with Jesus teaching of love, peace and acceptance of all. This happened in peaceful Canada, where such atrocities should never take place. Some of the following comments mimic those of journalist Raheel Raza.

Canadians are a good people; Canadians are not racist. In every society there are evil elements. Every society has murderers. This attack in London is the work of someone who has hate on their mind.

Hate, race and religious-based attacks have been with humans forever. Despite gospel messages of love, understanding, acceptance and compassion, there are still times when grudges are held, animosity prevails and others are attacked as less worthy. This is made more extreme when any human becomes demanding, selfish and wants to survive in a superior way regardless of the damage done to others.

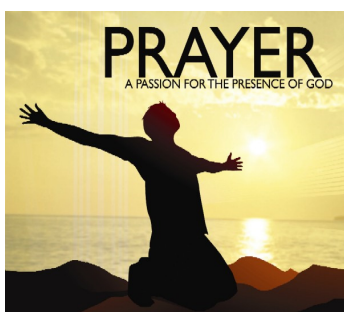

These partisan attacks are horrible - laws don't stop hatred and ugly conspiracy theories make the whole issue a political one. In reality, silencing people through political correctness and cancel culture is not the answer. Instead, we need to ask tough questions and see the hot house of racial, territorial and hate issues in our history.

Hate is taught. No one is born with hatred in their hearts. We can teach our children to love, accept and understand; or, we can pass on hate in small ways through terminology and insinuation, with grumbling about "those immigrants" or "those people" or "us" and "them". That sets bad example. Instead, we should invite new Canadians, people of other race, colour into our homes - make them feel truly welcome?

Let us not succumb to hate, or use it as a political weapon to attack each other, to censor each other, or to define each other. Let us follow Jesus' example as He accepted and loved all people. We all belong in God's world.

We need to pray that we refrain from casting dispersions on others, pray that we accept equally all people and pray that we love all people.

Deacon Chris Masterson

DIOCESE OF  
LONDON

Please remember that if you do not feel comfortable returning to Mass, Bishop Fabbro has extended the dispensation of Sunday obligation to **Sunday, September 5, 2021**. Please read further in the bulletin for ways to celebrate Mass at home.

### INFORMATION ABOUT WEARING OF MASKS

We taking every reasonable precaution to prevent the spread of COVID-19 in our churches and protect parishioners. Those who attend Mass or other services without a mask and without a valid exemption are violating municipal and provincial COVID-19 restrictions and putting fellow parishioners at risk.

Per Bishop Fabbro, starting January 1, 2021, if you have a medical exemption for wearing a mask, you will be required to bring to the pastor evidence from your physician, nurse practitioner, social worker, psychologist or occupational, respiratory or physical therapist attesting to your condition. Once you do so, you will be provided a document to bring to Mass each time. When you register for Mass, please let them know you have been granted an exemption, so that you can be seated in a designated area.

We will still ask that you wear a mask briefly to enter and exit and to receive Communion, unless your disability prevents you from doing so. Those who refuse to comply with this diocesan regulation will be asked to leave and will not be permitted to attend Mass until they agree to wear a mask.

We are aware that this new protocol does go beyond the requirements in most health unit orders and local by-laws, but they are required to protect the safety of our parishioners, parish teams and volunteers while on church property. Infections continue to increase in our communities and small sacrifices like wearing a mask can slow the transmission of the virus, and are a sign of our love for our neighbours and help prevent people from taking advantage of the exemptions for personal reasons.

Footnotes: Above information was taken from December 1, 2020 COVID-19 Update from Bishop Fabbro (Update #13) - found at [www.dol.ca](http://www.dol.ca).

Please note that face shields and/or plastic masks are not an appropriate replacement for a face mask. From the Ontario.ca website regarding face shields:

*Face shields do not replace masks or face coverings.*

*A face shield is used to protect the eyes of the person wearing it. Using a face shield without a mask won't protect:*

- *You from potentially inhaling infectious respiratory droplets exhaled by others*
- *Others from your infectious respiratory droplets, as they can escape around the face shield*

## MIGRANT WORKER MINISTRY OUTREACH

### How We Can Help

Every year we are blessed with many workers who come to help with the work needed to harvest food on our local farms. These people who come to work and live among us are our neighbours and our parishioners. They leave their country to earn a living, so that they can send support back home to their families.

Since COVID has begun our Migrant Workers Ministry has not been able to provide Masses in Spanish, gathered meals, or ministry visits for those who come to work and are far away from their families.

We can help! The Migrant Workers Ministry are preparing Welcome Bags with toiletries, personal items and prayer aides in Spanish and more. The bags will be delivered to the men during June. They are inviting us to help with the cost of putting these bags together.

Please pray and consider a monetary donation. Donations can be made via:

- Cheque - payable to St. Joseph Parish; "Migrant Workers Ministry" in the memo line
- E-transfer - [stjoseph@dol.ca](mailto:stjoseph@dol.ca) "Migrant Worker Ministry" in the Note section
- Cash or Cheques can be dropped off in the white locked drop boxes at St. Agnes or St. Ursula

Thank you for your support and part in welcoming these men to our community!
