APOSTLES FOR A NEW ERA

By: Fr. John Jasica

"CHRISTENDOM" IS DEAD BUT CHRISTIANITY IS NOT

Last weekend I wrote an article for the bulletin (family website—press the IGNITE link on the home page) describing the overall mission of the Church and how our family of parishes must adapt and change not simply to survive but in order to thrive and grow in a very different world. In order to fulfill the mission of spreading the Good News, we as the Church must find dynamic ways to dialogue in a very secular society that no longer accepts Christian values.

The era of Christendom is over but our Catholic Christian faith is not. It is a matter of changing strategies that are effective and engaging in a very different post-Christian world. The mission is still the same but the methods we use have to be different since the circumstances have dramatically changed.

WHAT DOES IT MEAN THAT "CHRISTENDOM" IS DEAD?

Brett Powell, who is the Archbishop's Delegate of Development and Ministries for the Archdiocese of Vancouver says, *"A Christendom mode makes sense when the imaginative vision of society is informed and governed by Christian values, such as decades ago when Sunday shopping laws were in effect on the Lord's day."* (B.C. Catholic—May 18, 2021).

We have seen over the years a decline of a visible and supported Catholic presence in society. Even in our own diocese we have seen the decline of Catholic hospitals, religious communities and Catholic social services. In the past, being a Christian and a Catholic in society had a status and influence that simply doesn't exist anymore.

In his article, Brett Powell reiterates the significant role that the Church has had in the past—*"Within a Christendom state, the Church gains prominence through the proliferation of Catholic institutions, buildings, and social enterprises. New members are attracted by the Church's temporal resources. Yet hubris can set in when society favours the faith."* (B.C. Catholic—May 18, 2021).

SHIFTING TO AN "APOSTOLIC MODE"

So what does this all mean? Is everything we have done to share the Gospel lost? Not at all!! We are now in a new era which requires a massive shift in structures, systems and approach so that we can

fulfill the mission of proclaiming the Good News. We no longer have a strong influence in our modern culture—in fact, the world is hostile to the message of the Gospel. We must change modes—we must embrace the ministry and evangelization of the first apostles. We need to re-evangelize the world—in a new and different way.

Ignite the Mission

 **CHATHAM CATHOLIC**
FAMILY OF PARISHES

Brett Powell describes the Apostolic mode of Church in another article by saying, *"The Church embraces Apostolic mission when society's imaginative vision is hostile to Christian values. In this environment, the Church herself and her individual members can be at odds with the prevailing culture. This is not something the Church celebrates, but it is important to clearly recognize it."* (B.C. Catholic—May 11, 2021)

SHIFTING GEARS TO THRIVE AND GROW

(1) ADMIT THE REALITY

It is clear for us as a family of parishes and the Diocese of London that "Christendom" is over. I think we need to accept the fact that our modern culture has moved on and rejected Christian values and the Church. Yet I think many Catholics lament and are stuck in the days when churches were full, programs were well attended and abundant and we were building churches—not closing them. The unfortunate reality is that those days are over. We need to find a different way to be relevant and influential in our world today. This requires change.

(2) UNDERSTAND "APOSTOLIC MODE" OF MISSION

Brett Powell describes being an apostle in this new era: *"In Apostolic mode, being Christian requires purity of intention and wholehearted commitment to Christ and his Church. In the absence of societal perks for membership, it is more costly to be Christian. Many are tempted to turn away from faith out of fear of persecution or in a desire to climb social, political, and corporate ladders."* (B.C. Catholic—May 11, 2021) There is no question that the work ahead to share the Gospel will be harder and require more and more dedicated people who are in love with Christ!

(3) PRAY, DISCERN, ACT—A NEW APPROACH

Over the next number of weeks, we as a family of parishes will pray, discern and then act, developing a new way to engage our world with the life-giving Good News of Jesus Christ! This will involve great sacrifices as we shift from a "Christendom" mode to an "Apostolic" mode of Church. Without this shift we will simply manage decline and over a short time drift into obscurity. This doesn't need to happen. I have great hope for us to thrive, grow and share in the city of Chatham if we all work together.

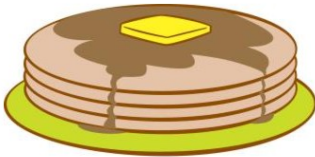

MORE TO COME IN THE COMING WEEKS—STAY TUNED.

The soil is prepared by fasting, watered by prayer and enriched by charity. Let us believe firmly that 'if we do not give up, we shall reap our harvest in due time' and that, with the gift of perseverance, we shall obtain what was promised for our salvation and the salvation of others."

Pope Francis (Message for Lent 2022)

THE WAY OF THE CROSS

During the Season of Lent, one of the most powerful forms of prayer we celebrate is the "Way of the Cross". May our spiritual pilgrimage to the Holy Land help us be willing to lay down our lives for others.

LENT "DOOR TO DOOR"

As we celebrate the year of **WELCOME & FAMILY**, we are called to build a sense of community together. One major aspect of this is to invite others to join our faith community so that we can support and care for one another as faithful and loving disciples.

The Pastoral Team has put together **500 LENTEN KITS** (100 for each church) that we are asking parishioners to pick up on the weekends during Lent and drop off to people they know who cannot attend Mass or need a faith boost from the family of parishes. These bags are filled with various Lenten prayer resources and a little gift from our faith community. Putting our faith into action!

INTERFAITH CARING KITCHEN

The Interfaith Caring Kitchen volunteers held their twelfth annual Christmas Dinner on December 7 at the Spirit and Life Centre. 200 guests had the opportunity to sit down and enjoy a beautiful, hot meal at festive tables with family and friends. Santa Claus, Christmas elves, Mayor Caniff and 75 volunteers from the church, the Muslim Community and from our corporate sponsor, TekSavvy served three hundred roast beef dinners with all the sides. In January we have been offering both dine in and take out meals at the St. Ursula Hall.

The Interfaith Caring Kitchen Team has been feeding Chatham residents who are living with food insecurity and loneliness for over 12 years. It began in 2011 with a small group of parishioners from the Mission group and partners from the Muslim community who wanted to create a unique "soup kitchen", one that provided our guests with a nutritious evening meal with an opportunity to socialize.

On the first and third Wednesday of each month, our church volunteers, Muslim volunteers and volunteers from the community serve over 125 hot, three course suppers from St. Ursula hall.

Our outreach ministry continued throughout the pandemic as a take-out meal, apart from five months of provincial lockdowns.

We are cautiously returning to our original vision of social, sit-down dinners. We hope that former volunteers who stepped back during the pandemic will return. New volunteers would be more than welcome!

Covid has been hard on everyone, especially food charities. Demand for meals has grown dramatically. So have costs for food and packaging.

Want to help us feed the community?

- Donate your time. Join a team. Each team serves a meal once every second month.
- Like to cook or bake? The kitchen teams need help.
- Make a financial contribution.
