Cameras and Recent Vandalism in the Church and on Church and School Grounds
We now have 20 cameras throughout out the church and school property. We have cameras in the Sanctuary and around the altar and in the Chapel.

Last Wednesday and Thursday Nights the men's bathroom was vandalized with graffiti on the bath-room doors and walls.

This past Sunday evening, Dec. 11, we also captured two teen girls pulling the firealarm at the school. They also persistantly continued to knock on the Priest Rectory door. In addition new graffiti was found on the men's bathroom after the Dec. 11th Mass.

Please monitor where your children are, and what they are doing when using the church and facilities.

Annual Catholic Appeal 2022 "Report of Gratitude"
This year more than 380,000 men, women and children have been helped through generous support of the Annual Catholic Appeal. \$4.3 million has been pledged so far from Catholics throughout the 20 counties of our diocese. No contribution, no act of charity is ever too small or insignificant.

God spoke to people in dreams in all the ancient Middle Eastern countries. In the Hebrew scriptures, it is most often prophets or Kings doing the dreaming. Probably the most famous and widely known dreamer in the Jewish tradition was Joseph son of Jacob. He's famous for having dreams and also as an interpreter of dreams for the pharaoh. His dreams came true. Joseph did supersede his brothers, and the Egyptians could plan for and avoid a future famine thanks to his dream interpretation skills.

For Matthew, Joseph, the husband of Mary, having dreams would resonate with the Jewish audience he was writing for. Matthew's Joseph was a humble man.his dreams did not contain mysterious symbols requiring interpretation, God's message to him was straightforward. Mary is not an adulteress. Preserve the marriage even if you can't understand what's going on. He did, and God became incarnate in human flesh.

I used to hear the phrase, "the American dream." I hear it less these days. It seems today we are more into goal setting than dreaming. There is value in goal setting. I do it every day. But, I never want to lose sight of the dream. Goals lead to a sense of accomplishment when we reach them. But dreams generate passion. I'll take passion over self-satisfaction any day
