Chaplains Message;

Grand Knight's Message;

Good day fellow good Knights.

Well, we are in the middle of summer, so I encourage you to make the time to enjoy family, if you have the chance. Memories are made by doing just that, we can think of all those things we have to accomplish around our house and work, but now is the time to enjoy your kids or grandkids and make those memories that will last for years.

The churches are open, so I encourage you to make the effort to get back and encourage friends and family to do the same to stay connected with your faith.

Since it is summer, I would like to have a short meeting August 10th in the hall after mass.

The biggest thing for discussion will be the broasted chicken dinner in September and to kind of get volunteers and things in place to make it a successful event. Due to Covid changes we are hoping to have sit in or take out, but we have to be prepared if new variant restrictions limit us to take out only.

The final thing would be the special mass we are having on Friday, August 13, at 7:00 p.m. for blessed Fr. Michael McGiveny, our founder on his way to Sainthood.

We will only have three days after the meeting before the mass, so I would encourage you all to invite Brother Knights and family to this special celebration. We will also put out the invitation for other Councils to attend as well.

Other than that, try to enjoy your summertime with friends and family.

Mike dB

May the peace of Christ be with you

K of C Insurance: - Our unmatched code of ethics

There are hundreds of fine life insurance companies in the marketplace today. So why should you entrust your life insurance needs and those of your family to the Knights of Columbus?

In their rating report on the Knights of Columbus, Standard & Poor's states that its "AAA" rating is based upon the following strengths: extremely strong capital, very strong competitive position, extremely strong liquidity and historically strong profitability. We've earned this rating for 16 consecutive years!

I would suggest that a principal reason that we were able to achieve those accolades, along with what S & P described as "a distinct competitive advantage, a loyal customer base and a unique rapport with clients" is because we remain steadfastly committed to the vision of Father Michael J. McGivney, "Protecting Families for Generations" by means of "life insurance by brother Knights for brothers Knights."

That commitment is an essential core value of the Knights of Columbus and our core values permeate all levels of our marketing program. Our "Marketing Code of Ethics" is modeled after the Ten Commandments and includes statements such as "Thou shall present honestly and accurately, all facts necessary to enable a member to make an informed decision."

Our ethical principles for marketing are summed up by our Golden Rule:

“ In all my professional relationships, I pledge myself to the following rule of conduct: I shall in light of all conditions surrounding those I serve, render that service which, under the same circumstances, I would apply to myself.”

That's what you can expect from me, your professional Knights of Columbus field agent I welcome the opportunity to present to you and your wife, honestly and accurately, all facts necessary for you to make a sound life insurance decision.
