Dear Brothers

As we are moving through this Easter season we need to reflect on the greatest sacrifice that was given to us. Jesus gave this to us to demonstrate the true scope of what we need to give the world. What are you giving as your sacrifice to make your family, your community and the world a better place?

We are very lucky to be able to celebrate our 74th Anniversary this month on March 9 with our banquet. Our council has been very successful with the great leadership that has come before us. We are blessed to have an amazing group of members that compose our current leadership. This council is setup well based on our history and the future is bright. We are always looking for the next great leader of our council.

Dear Brother Knights,

Thank you to everyone who helped out with the bingos, the monthly euchre night as well as the annual tournament, and the fish fry in February. March marks our 74th anniversary and we celebrate with our 50's themed Annual Banquet on the 9th. Dig out your leather jacket and poodle skirts for a fun night of food and fraternity. Contact Peter or myself for tickets. March has 2 fish frys, the regularly scheduled one on the 22nd plus one on Good Friday, as well as euchre and 4 bingos. We are still looking for someone who can run the monthly euchre night, as well as a few more attendees. Happy Spring, Happy St. Patrick's Day, and Happy Easter everyone.

Vivat Jesus,
Doug Bonneau

Brother Knights,

Happy Easter! Easter is the very end of March, the 31st, so I will take this time to hope you conclude your Lenten observances with a celebration of the Resurrection!

March is Ethics Awareness Month for the insurance industry. Oxford Languages defines ethics as “moral principles that govern a person’s behavior or the conducting of an activity” In many professions there is an ethical code that practitioners are to observe. In medicine, we’ve boiled down the Hippocratic oath to, “First, do no harm.” Attorneys have the American Bar Association’s “Model Rules of Professional Conduct.” In psychology there are codes of conduct for both treatment and for research.

The insurance industry is no different. Here at the Knights of Columbus I think all members are familiar with our founding principles: Charity, Unity, Fraternity, and Patriotism. These have been ingrained in us. However, there are also four Core Values that all who represent the Knights subscribe to. By “represent the Knights” we include Supreme Officers, employees, independent contractors like me, and other vendors and contractors who are expected to live up to our four Core Values. From our Code of Ethics and Conduct handbook the Core Values are these:

- Integrity: Firm adherence to ethics, honesty, and a moral code.
- Professionalism: Promoting the highest standards in all we do.
- Excellence: Leading by example and constantly striving to be the best.
- Respect: Treating each other with the highest regard.

I consider it an honor to be assigned to serve your council and I take seriously my responsibility to care for each of you members. Furthering Blessed Michael McGivney’s vision of caring for the widow and orphan is my goal.

I hope to always live up these Core Values in all my work with the council and with each and every one of you.

Vivat Jesus!

EASTER FUN IDEAS

Plan an Easter Egg hunt where each egg is filled with a clue to lead to the next egg and with the final clue leading to the Easter basket. We've been doing this for the last few years.

Make a traditional family dinner. Get the kids involved with the menu planning. Use this as an opportunity to teach them how to set a formal table and how to cook your family's traditional Easter dishes so that one day, they will be prepared to host. When they're ready, put them in charge of a dish or an entire course.

Nighttime Easter Egg hunt with glow-in-the-dark Easter Eggs. Place glow sticks in plastic Easter eggs. Or make it a flashlight egg hunt (add dots of paint stickers to the eggs that will glow under UV light and give everyone a UV flashlight) – this can be done indoors or out.

Dye Easter Eggs. Give your kids Sharpies and let them go crazy with goofy faces, phrases, and designs. Have a contest for the best-decorated egg with fun prizes – teens get more interested when competition is involved. Or make tie-dyed Easter eggs – so fun!

Spread the cheer and surprise your neighbors with a 'You've been egged' basket filled with Easter goodies.

Make Peeps s'mores.

Guess the Jelly Bean flavor. Blindfold the person who's up and give them a flavor to guess. Jelly Bellies work best for this! You can even mix in some Bean Boozled jelly beans for extra fun.
