Bricks for the Unborn

You will find cards on the usher table in the back of church to obtain a brick to be placed by the memorial for the unborn in the front of church. You only need to complete the card, put your desired inscription on the reverse side, attach your check and enclose them in an envelope. The envelope marked "Bricks for the Unborn" can be placed in the collection basket or brought to the church office. This is a work in progress by the Knights of Columbus until we fill inscriptions on all the bricks.

Update : We turned over \$3,222.00 so far to the Women's New Life Center. The amount came from the sale of Bricks. More money to follow.

Stop killing of female babies and promote social development in India through TV platform

India, the second largest country in the world with the population of 1.2 billion people is still **rooted in social evils such as gender inequality and killing of female babies.**

The Telugu Catholic Bishops' Council has started Divyavani (Divine Voice) Telugu Catholic TV Channel for social change in India.

According to UNICEF report 50 million female babies were killed in India in the last 10 years by way of systematic and selective gender elimination. Today there are only 914 females for every 1000 males in India. Since the vast majority of Indians are Hindus they believe that only a boy will save them from hell. There is also the common notion that the boy is the bread-winner. In addition to this, if a girl has to be married they have to give huge dowry. Every hour there is a dowry death in India. Sad to say as per recent states that 9000 young brides are burnt alive every year by husbands and mother in-laws.

There is also an evil practice of female infanticide - that is killing of female babies in India. A number of methods are employed to kill the newborn girls.

1600 people die every day due to diarrhea. This is simply because 100 million in India do not have safe drinking water and 750 million do not have toilets which is a big health hazard.

You can help us change the situation for female babies in India by sponsoring half hour television program. Divyavani Catholic Television produces programs for social awareness and education on these social evils and unhealthy cultural practices. Each half hour TV episode costs \$200.

WHAT IS RCIA?

The Rite of Christian Initiation of Adults (RCIA) is the process established for the universal Church for individuals to become Catholic and receive the sacraments of initiation-Baptism, Confirmation, and Eucharist. This initiation process also involves a parish community experiencing a renewal in faith as it prepares and welcomes new members into the Church. The Rite speaks of conversion as a "spiritual journey". Centered on fostering a deep relationship with Jesus and the Church he founded, this journey takes place through distinct stages over a period of time suitable to bring thorough catechesis, significant experience of a parish community and commitment to liturgical and moral life of the Catholic faithful. The RCIA process is a restoration of the ancient catechumenate, arising within the first three centuries. The Second Vatican Council called for the restoration and use of this venerable and powerful method of initiation for the worldwide Church.

Whom is RCIA for?

1. Persons in need of Baptism.
2. Persons baptized in another Christian tradition who desire to become Catholic.
3. Persons baptized Catholic in need of First Communion and/or Confirmation.
