

PARENT'S REQUEST TO ADMINISTER MEDICATION AT SCHOOL

FOR COMPLETION BY PARENT/GUARDIAN

Name of Student: _____ D.O.B: ____/____/____
(LAST) (FIRST) (MI)

Name of School: _____ Grade: _____ School Year: _____

In order for my child to receive medication in school, I agree to the following:

- All prescription and non-prescription medication will have a physician's signed order **fully** completed for each school year. The prescription medication will be in a container labeled by the pharmacist or physician with:
Name of child. Name of the medication. Dosage, route, and time of administration.
Name of physician. Prescription date and expiration date. Conditions for proper storage.
- The non-prescription medication will be in the original sealed container with the label intact. Student's name will be put on the container in a position that does not obscure the label.
- The medication will be brought to school by an adult.
- The physician will be called if a question arises about my child's medication.
- The first dose of this medication (except for epinephrine auto-injector) has been given without problems.

Having read the above conditions, I request St. Aloysius School administrative personnel administer the medication as prescribed by the physician below. I certify that I have legal authority to consent to medical treatment for the student named above, including the administration of medication at school. I understand that the school and school personnel incur no liability for injuries occurring when administering asthma medication or an epinephrine auto-injector.
