

A woman with dark hair, wearing a brown shawl, is looking up and to the left with a reverent expression. In the background, a statue of St. Catherine of Siena is visible, though out of focus. The lighting is warm and dramatic, highlighting the woman's face and the texture of her shawl.

20TH SUNDAY IN ORDINARY TIME

20^º DOMINGO DEL TIEMPO ORDINARIO

Dear Parishioners,

In the history of our parish, this is indeed an important month. Our parish was founded on August 10, 1966. The first Mass was held on August 28, 1966. During these 60 years, many families have come through these doors in prayer. It is indeed a time to be thankful and remember the blessings that our Lord has shown our parish (even though not everyone has been here for all 60 of these years). Come and celebrate with all of us for our annual parish picnic that will be held in the Stanley Centre on September 13th. This is just less than a month away and the picnic will begin right after the 11 a.m. Mass on that day.

Hopefully by now, you have learned about our important announcement of what we need to do to repair our Church building. As our parish community has grown over the past 60 years, we have needed to add more room to our main building by adding Marian Hall and later the expansion of the Church/office wing that was added in the 2006 addition. The 2006 addition also included a Blessed Sacrament Chapel that was added behind the altar. In short, this part of the building is sinking. This chapel is in need of repair as this part of the addition has been slowly sinking and damage has occurred over several years, especially during extreme cold spells. Our contractors will be starting work in a few weeks to begin repairs to this section and to keep this addition from sinking any further. This will include work to the foundation in this part of the building and to prevent further damage, we will need to change the grade around the front of the building (toward Centre). All this work will help to stabilize this part of the building and restore it where we no longer have any issues. I am always happy to answer any questions that you have about this (or I put an insert in the bulletin and on the website to explain things as well). We have the money in our savings to pay for the repairs.

As we learn from the contractor what we need to do over the next few weeks, I will share them with you as soon as possible. I am anticipating that we will need to screen off the Blessed Sacrament Chapel addition for a period of time so that work can proceed in that section. I'll certainly keep everyone informed as the work commences.

Thanks for reading!

Fr. Mark

Reflection on the Readings

The take-home message from today's readings is that God loves all mankind and Jesus came to save everyone, not just the Israelites. God, speaking through Isaiah, says that "the foreigners who join themselves to the Lord...them I will bring to My holy mountain and make joyful in My house of prayer" and that "My house shall be called a house of prayer for all peoples." St. Paul in his letter to the Romans says that he's hoping the Jewish people will see his (Paul's) ministry to the gentiles and be jealous enough to get on board. Jesus, in the Gospel of Matthew, heals the daughter of a gentile woman because of her great faith. This is all good news for us!

I must confess that over the years I've found this Gospel reading to be disturbing. At first blush, it appears that Jesus is being downright disrespectful of the Canaanite woman and her request...that He's only come for the Israelites. He says as much to the woman. However, scripture is open to interpretation as the Spirit moves us, and to me it makes no sense that Jesus would deliberately move into Gentile territory to simply say "don't bother me, I'm just passing through." Rather, Jesus uses this incident to demonstrate that He did NOT just come for the Jewish people, but for everyone who has faith in Him and is persistent. The woman's persistence shows that she has faith; she knows that Jesus can help her daughter if He chooses. In response to her display of faith, Jesus commends it and grants her request.

It doesn't matter where any of us started our faith journey or what our backgrounds are. Jesus came for all of us. We need to both rejoice because of that fact and treat others as equally beloved by God and pray for others.

Reflection by parishioner John Ceglarek
