

# St Martin's Giving Tree

The Giving Tree will soon appear. This St. Martin tradition has helped relieve holiday stress for the many families we have adopted from South County Community Services over the years.

We try to allocate \$40 for each family member. When we make the gift tags, a family member may receive more than one gift tag that will total the \$40. So please purchase only what is on the tag if possible. We want to make sure every person is equally gifted on Christmas morning. If you would like to do more, please check with a committee member below.

In addition, there will be envelopes at the bottom of the tree for cash donations or Meijer gift cards that will be used to purchase any missing gifts or for any last-minute requests we may receive.
