## The Reflection for Parents

is part of the Baptismal Preparation.

It is meant to give you a moment in time to reflect about Baptism and your faith.

You are asked to discuss these questions as a couple.

Please do not be overwhelmed. There are no right or wrong answers.

Just reply with simple answers from your heart.

1. Why do you want to have your child Baptized?

2. Is your faith important to you? Why or why not?

3. What do you think are the three most important things to teach your child about God?

4. Baptism is the beginning of a lifelong journey of faith for your child and your family. How do you see the commitment you are making to raise your child in the Catholic faith unfolding in the daily life of your family?

5. What do you see are the biggest challenges today in raising your child in the Catholic faith? How do you hope and plan to meet these challenges?

6. In the Baptism Rite, we are invited to “walk always as children of the light”. What are some of the concrete ways you will teach your children to walk as children of the light?

7. Through Baptism, we become adopted children of God and become members of a parish family. Why do you think it’s important to belong to a parish family?

8. Is there anything else you want to know about your faith?  
Is there anything more we can do to support or help you in your faith journey?
