NEW ENGLAND ASSOCIATION  
OF SCHOOLS AND COLLEGES

Saint Mary School is proudly accredited  
by the New England Association of  
Schools and Colleges.

"Saint Mary School provided me with the knowledge and habits that were the cornerstone to my success in high school. My incredible teachers fostered a love for learning and motivated me in the classroom. With an education grounded in faith, I left Saint Mary's with a firm moral base and a love for faith and community. These skills and values, fostered by a Saint Mary School education, have allowed me to take on a rigorous course load in high school and have driven me to continue my education and impact outside the classroom." – **Nolan Hughes, 2019 Saint Mary School graduate and current student at the University of Notre Dame.**
