

SAINT MARY SCHOOL

16 SUMMER STREET

SHREWSBURY, MA

Dear Parents,

On Thursday, February 13th, our school community will gather to celebrate Mass at 8:30AM. The Seventh Graders will lead us in prayer. For this month's collection we are asking the children to bring in various spices, such as, onion powder, garlic powder, cinnamon, crushed parsley flakes, oregano, ginger, and rosemary for our friends at St. Anne's Parish.

Please do not send any of these items to school beyond the appointed date of February 13th because that will be the only day that the items will be collected.

Thank you again for your continual generosity and support in this monthly charitable endeavor. The person in charge of Human Services at their parish expressed how delighted the people are by getting a variety of items each month. This action truly is a Corporal Work of Mercy, and it defines who we are as members of this wonderful and caring school community.

God bless you,

Sister Rosemarie
