THE EXALTATION OF THE HOLY CROSS
—Feast Day September 14th—

The Feast of the Exaltation of the Holy Cross celebrates two events: In 320, Saint Helena, mother of Emperor Constantine, discovered the True Cross under the Temple of Venus in Jerusalem; and the dedication in 335 of the basilica and shrine built on Calvary by Emperor Constantine, which marks the site of the Crucifixion.

The basilica and the shrine were destroyed in 614. The Church of the Holy Sepulchre, which now stands on the site, was built by crusaders in 1149.

The Exaltation of the Holy Cross is a celebration and commemoration of God's greatest work: His salvific death on the Cross and His Resurrection, through which death was defeated and the doors to Heaven opened.

The entrance antiphon for the Feast of the Exaltation of the Holy Cross is: ***"We should glory in the cross of our Lord Jesus Christ, for he is our salvation, our life and our resurrection: through him we are saved and made free."***

There is the music of Heaven in all things.

—Saint Hildegard of Bingen—
