# Parish Life

## PASTORS CORNER

A few Sundays ago, I mentioned an idea a parishioner shared with me regarding helping the poor; we could bring supplies and assemble ziplock bags to give to people who are less fortunate on the street and in shelters. Since then, I've been receiving requests to help, I thought it would be good to open the conversation up to the whole parish. If you would like to donate things like beef jerky, socks, water bottles, cough drops, peanuts, protein or granola bars, and easy to pack things, please bring them to Mass the next two Sundays. We will stage a box in the narthex to drop them off. For those who wish to help we can assemble them together the following Sunday (15th/16th). Considering there are many services already active in our community, I think this is a good place for us to start. I appreciate the willingness to engage in this, I think helping the poor may be one of the most important things we can do as a parish.

Peace and Good,  
FL
